

SAFER READING NEIGHBOURHOOD ACTION GROUP FORUM

- (1) To reduce crime and the fear of crime in Reading by establishing and supporting geographically based Neighbourhood Action Groups;
- (2) To inform and advise, after detailed consultation, the Community Safety Partnership about appropriate joint initiatives for inclusion in the Community Safety Plan;
- (3) To develop and support the geographically based Neighbourhood Action Groups which will involve the police, Councillors, Council Staff, residents and other agencies to develop through effective problem solving local responses to identified local priorities;
- (4) To develop and support in partnership with the business community, residents and current arrangements for Town Centre Management a Town Centre based Neighbourhood Action Group that through effective problem solving deals with crime related issues in the town centre;
- (5) To consider a range of initiatives developed at the Neighbourhood Action Groups and the Community Safety Partnership, including in particular, those which focus on victim, offender and environment, that promote community ownership.
