

ADOPTION STATEMENT for the OUTLINE DEVELOPMENT FRAMEWORK FOR THE SITE OF READING PRISON

Reading Borough Council formally adopted the Outline Development Framework for the Site of Reading Prison on 26 March 2015.

The Development Framework is a Supplementary Planning Document (SPD). It forms part of the Reading Borough Local Development Framework, which comprises several documents that set out policies and proposals for spatial planning in the Borough. The Development Framework sets out key information and guidance relating to development of the Reading Prison site, and supplements policy RC3 in the Reading Central Area Action Plan (adopted 2009).

Any person with sufficient interest in the decision to adopt the Development Framework may apply to the High Court for permission to apply for judicial review of that decision. Such an application must be made promptly and in any event not later than 27th June 2015.

A copy of the Development Framework is available for inspection at Reception, Ground Floor, Civic Offices, Reading, between 9am and 5pm Monday to Friday. Copies are also available for viewing at all Reading Borough Public Libraries, during normal library hours. The Development Framework and associated documents (including a Consultation Report including responses to comments received on the document) can also be viewed on the planning pages of the Reading Borough Council's website, at www.reading.gov.uk/readingldf.

Changes made to the Draft version (published February 2014) can be viewed on the Council's website in the papers for Strategic Environment, Planning and Transport Committee¹.
