Starting School

Admissions to Infant/Primary Schools

September 2016 to August 2017

Guide for Parents and Carers
For any queries please contact the Admissions Team on 0118 937 3777 or email: admissions.team@reading.gov.uk

Apply online at www.reading.gov.uk/schoolsadmissions
INTRODUCTION

Dear Parent/Carer

Starting primary school is an exciting time for children and their parents and carers. But it can also be a time of worry and concern.

Deciding on a school is probably one of the most important decisions a parent or carer has to make and we know this can be a new and daunting experience for many people.

This guide is designed to help you through that process and to make applying for a school place as smooth and straightforward as possible. It contains a lot of detail, and it is important that you read it carefully and follow the guidance step by step to ensure that you maximise your chances of reaching a successful outcome for you and your child.

There has been much publicity in recent years about the pressures on school places across the county. Reading is no exception and we have invested £61m to ensure that there are sufficient primary school places for every child who needs one. However our schools are popular and while we do everything possible to meet people’s aspirations, there is no guarantee that we will be able to allocate a place at your preferred schools.

We are proud of all the schools in Reading and the wide range of opportunities they offer. We believe that your child will be able to succeed at any of our schools. Schools all publish a prospectus on their websites, which provides useful information including Ofsted reports. The school website will also give a flavour of the full range of opportunities, activities and achievements of the school. I know you will balance the attractions of all the schools available to you, taking account of the importance of young people being educated alongside others from their community. A visit to the school will give you a feel of what the school is seeking to achieve for its pupils and whether you think your child will be happy there. It is important to make up your own mind and not rely on comments from other people.

The deadline for applications is 15 January, 2016 and you should ensure that you get your application to us in good time. Being late will put you at a disadvantage. You can apply online or by using the paper form. Please see page 8 for details. If anything is unclear, or you have questions that are not answered by the guide, please call the Admissions Team on 0118 937 3777. They will be pleased to help you.

I hope you find this guide help and I wish your child every success and happiness in their primary school.

Councillor Tony Jones

Lead Councillor for Education and Children’s Services
TIMETABLE FOR THE PRIMARY ADMISSIONS PROCESS

<td>End of Admission round.</td>
</tr>
</tbody>
</table>

Please note: you must apply for a school place even if your child’s name is already on the ‘register of interest’ of a school, or your child attends the nursery class.

When can children start school in a primary/infant school?
If your child was born between the 1 September 2011 and 31 August 2012 and is offered a place in a primary/infant school then they will be able to start full-time in September 2016. However, your child does not have to go to school until the term following their fifth birthday. The table below sets out when your child must be receiving full-time education.

<table>
<thead>
<tr>
<th>Children born between</th>

<tr>
<td>01.04.12 - 31.08.12</td>
<td>September 2017</td>
</tr>
</tbody>
</table>

Until your child reaches statutory school age, you can decide whether you want them to start full-time school in September 2016, or whether to reserve the place offered and defer their admission. When you are offered a school place for your child you will have to tell us whether you want your child to start school in September 2016, January 2017 or April 2017. It is not possible to hold a place at a school into another school year so if your child does not have to go to school until September 2016 they will have to take up their place by April 2017. If you choose to wait until September 2017 you will have to re-apply for a place in Year 1 and the school may be full.

In some circumstances summer born children may be admitted to a reception class in September 2017. This will only be agreed, if it is in the best interest of the child.

For more information see page 10.

Part-Time in schools
Parents/carers may ask for a part-time place until their child reaches statutory school age if they believe that this is in their child’s best interest. Further information on this option is given on page 10.
EXPLANATION OF TERMS

The terms, abbreviations and legal extracts that we need to use in this guide may sometimes be difficult to understand by those unfamiliar with the education system. We hope these explanations will help but, if you are unsure about anything in this guide please telephone the School Admissions Team on 0118 937 3777 for an explanation.

Admission Authority
The admission authority of a school determines the admission policy for the school. The admission authority for community primary schools is the local authority and the admission authority of a voluntary-aided school or Academy is the Governing Body of the individual school.

Admission Number (AN)
Every school has an Admission Number (AN). The AN is normally based on the number of classrooms and resource areas. The AN represents the maximum number of places available in the year group which pupils normally enter on joining the school i.e. Reception Year in Infant and Primary Schools. Places must be offered up to this number. The Admission Number for each school is given in the information on schools later in this guide.

Categories of maintained schools
Community Schools
These schools are maintained by the Local Authority (LA). The LA is the Admission Authority and it is responsible for determining the admission arrangements and allocating school places.

Free Schools
Free schools are funded and operate in the same way as an Academy.

Infant Schools
These schools cover the Reception to Year 2 age groups. Children from these schools would transfer to a Junior School or the Junior part of a Primary School to continue their education.

Junior Schools
These schools cover the Year 3 to Year 6 age groups.

Primary Schools
These schools cover the Reception to Year 6 age groups.

Voluntary Aided Schools
Management responsibility is shared with the LA but the Church or Governing Body play a greater role. The Governing Body is the Admission Authority and agrees the admission policy which will normally be different from those used by the LA.

Academy Schools
An Academy is a publicly funded independent school established by the Secretary of State. The Governing Body is the Admission Authority and is responsible for the admission policy. The school enters into a funding agreement with a charitable company. The funding agreement provides the framework within which the academy must operate. This funding agreement states that the Academy must comply with the School Admissions Code and are included in the Local Authority co-ordinated Admissions.

Department for Education (DfE)
The central government department responsible for education and schools.

Catchment Area
Catchment area (sometimes known as ‘designated area’) is a geographical area from which children are given priority for admission to a school as part of the oversubscription criteria. This means that if there are more applications than places available, children living in the designated area of a school will be given priority but it does not guarantee admission to that school. If you move into a...
catchment area of a school after your child has started school then admission to that school will only be possible if there is a place available in the appropriate year group. Maps giving a guide to the catchment areas for community schools in Reading are given on pages 28 to 32. More detailed information on the catchment areas in Reading is available on Reading Borough Council’s website www.reading.gov.uk or from the Admissions Team. Other schools may also have catchment areas which may be parishes or other boundaries. The school will advise you. In the event of a dispute about the definition of designated area, the maps held by Reading Borough Council are regarded as definitive.

To be considered for your catchment area school you must list the school as one of your preferences. Places are not reserved for children living in the catchment area of the school. If the school is not listed as one of your preferences, then your child will not be considered for the school and the school may not have places available, if you are not offered any of your preferred schools.

**Foundation Stage**

The period of education from age three to five is known as the Foundation Stage. During the Foundation Stage children may be in a range of different educational settings, including nursery schools, schools, private nurseries, pre-schools, playgroups, independent schools, and some accredited childminders. The Foundation Stage finishes at the end of the Reception Year.

**Home Address**

The definition of home address for a Reading community primary school is the permanent home address of the child and their parent(s)/carer(s). Temporary addresses used solely for admission to a school will not be accepted.

Applications for schools are processed on the basis of the child’s single permanent home address where they live with their parent(s) or carer(s). Where the home address has changed from the address provided to the early years provider or changes during the application process, evidence regarding the new address and disposal of the previous address, through a contract of sale or change of tenancy agreement may be required. A tenancy agreement must be for one year or more. Parents/carers will be asked to declare that the address used will be the child’s home address beyond the 1 September 2016. Any change of address after submitting the application must be notified to Reading Borough Council.

The Admission Team will check the records held by Reading Borough Council Tax Department to confirm the home address supplied. It may be necessary to carry out additional investigations and seek further evidence of proof of address e.g. child benefit, medical cards, driving licence. If a child spends part of the week with parents at different addresses, the home address will be where they usually spend the majority of the school week (Monday to Friday, including nights) with a parent. Where a family claims to be resident at more than one address, justification and evidence of the family’s circumstances (e.g. legal separation) will be required. Temporary addresses whilst retaining a permanent home in Reading will not be accepted. If a child does not live with a parent or legal carer i.e. a single parent family where the parent is ill and the child lives with a grandparents for the majority of the week a full explanation will need to be supplied together with supporting evidence from a professional supporting the family/child.

The offer letter sent on 18 April 2016 will be sent to the address supplied and used for the allocation of the place at the named school. If the home address has changed and the Admissions Team have not been notified then the place offered in the letter may be withdrawn. Offers received by email or viewed on the online service are not the formal offer.

The Admission Authority has the right to reject applications or withdraw a school place based on fraudulent or intentionally misleading information concerning a child’s
permanent home address. There will be a right of appeal to an independent appeal panel should this happen. The Admissions Team occasionally receives information from members of the public concerning potential misleading or fraudulent applications. Signed statements will be required to support such allegations together with supporting evidence in order that such allegations can be investigated. The names of anyone supplying information will be withheld in accordance with the Council’s Whistle Blowing Policy which can be found on the Council’s website www.reading.gov.uk

**Medical/Social**

It is important that you check whether the Admission Authority of your preferred school(s) use this category as part of over-subscription criteria for admission. It is not used by all Admission Authorities and when used it is given different levels of priority. If you believe your application meets the criteria you must check how the Admission Authority of your preferred school will consider your application and what evidence you must supply. It will not be sufficient to tick the boxes online or on the paper form as supporting evidence must be provided by you or the professional supporting your request. You will not be prompted to supply this information.

**Looked After Children (LAC)**

This is a child who is in the care of a local authority or provided with accommodation by that authority; or in an arrangement supported by the Local Authority.

**Local Authority (LA)**

Reading Borough Council is the Local Authority (LA) responsible for maintained schools in Reading.

**National Curriculum Tests**

These are national performance tests set by the Qualifications and Curriculum Authority (QCA). Children at the end of Key Stage 1 & 2 take statutory Standard Assessment Tests (SATs). The results of these tests are published in the school’s prospectus or can be obtained from [www.direct.gov.uk/educationandlearning](http://www.direct.gov.uk/educationandlearning)

**National Curriculum Year Groups**

The National Curriculum is a programme of study laid down by law for all pupils aged 3 to 16 in state maintained schools. It provides a balanced education for a child covering 11 subjects overall, and divided into Key Stages according to age.

**NOR**

Stands for number on roll and means number of children attending a school.

**Ofsted**

This is the abbreviated name of the Office for Standards in Education, which is the Government Department responsible for inspecting and producing inspection reports on schools. Ofsted reports are available from schools or from [www.direct.gov.uk/educationandlearning](http://www.direct.gov.uk/educationandlearning) or [www.ofsted.gov.uk](http://www.ofsted.gov.uk)

**Over-subscribed schools**

This means that a school has more applications than there are places available.

**Over-subscription criteria**

Criteria which children will be given priority if a school receives more applications than places available. The over-subscription criteria for community schools can be found on pages 18 to 22. The criteria for other schools will differ and are listed on pages 43 to 83.
Parent
Any person having parental responsibility for a child (as defined in the Children Act 1989) or who has care of a child, including an LA. Section 576 of the Education Act 1996 defines ‘parent’ as all natural parents, whether they are married or not; any person who, although not a natural parent, has parental responsibility for a child or young person; any person who, although not a natural parent, has care of a child or young person (having care of a child or young person means that a person with whom the child lives and who looks after the child, irrespective of what their relationship is with the child, is considered to be a parent in education law.

Pupil Premium and Service Premium

Pupil Premium
The pupil premium gives schools extra funding to raise the attainment of disadvantaged pupils from reception to year 11. Children eligible for pupil premium are

- All children eligible for free school meals at any point in the past 6 years
- looked-after children who have been looked after for 1 day or more
- are adopted
- leave care under a Special Guardianship Order or a Residence Order

Early Years Pupil Premium
Early Years Pupil Premium (EYPP) is additional funding for early years settings to improve the education they provide for disadvantaged 3 and 4 year olds.

3 and 4 year olds in state funded early education will attract EYPP funding if they meet at least 1 of the following criteria:

- Their family receives one of the following:
  - Income support
  - Income based Job Seekers Allowance
  - Income related Employment Support Allowance.
  - Support under part VI of the immigration and Asylum Act 1999.
  - The guaranteed element of State Pension Credit
  - Child Tax Credit (provided they are not also entitled to working tax credit and have an annual gross income of no more than £16,190)
  - Working tax credit run on, which is paid for 4 weeks after they stop qualifying for Working Tax Credit
  - Universal Credit.

The child is currently being looked after by a local authority in England and Wales.

The child has left care in England and Wales through:

- An adoption
- A special guardianship order
- A child arrangement order.

Children must receive free early education in order to attract EYPP funding. They do not have to take up the full 570 hours of early education they are entitled to in order to attract EYPP.

Service Premium
The service premium gives schools extra funding to support children and young people with parents in the armed forces. Pupils attract the premium if they meet the following criteria:

- one of their parents is serving in the regular armed forces
- one of their parents served in the regular armed forces in the last 3 years
- one of their parents died while serving in the armed forces and the pupil is in receipt of a pension under the Armed Forces Compensation Scheme (AFCS) and the War Pensions Scheme (WPS)

Register of Interest
This is a register kept by some schools of children whose parents/carers have expressed an interest in a place at the school. Parents/carers may have completed a form for the school to be included on the register. This is not a formal application for a place and you must apply to Reading Borough Council. Schools are not obliged to keep these registers.

Sibling
The definition of sibling can vary but unless otherwise stated by the Admission Authority
the following definitions will be used. Siblings are children who have either the same mother or father, or they are children who live together in a family unit and with their parent(s)/carer(s). Siblings must also live at the same address as each other. If they do not live at the same address, then they are not treated as siblings.

For the purposes of over-subscription criteria for Reading community primary schools, siblings are children who will still be attending the school in September 2016 at the time of application. Other schools may have different description i.e siblings at the time of application. Please check the over-subscription criteria of your preferred school.

The over-subscription criteria for Reading community schools (see pages 18 – 21) defines children, who do not live in the catchment area of a school who have a sibling attending the school in September 2016 as category 5. There is no guarantee that we will be able to offer a place at the school for children in this category if the school is over-subscribed.

Supplementary Forms
Some schools need extra information to help them rank applications according to their over-subscription criteria. You may need to complete a supplementary form if you would like your child considered for a voluntary aided school. These forms are available from the school, the Local Authority Admissions Team. Supplementary forms for Reading Voluntary Aided Schools can be downloaded from www.reading.gov.uk/schooladmissions. Supplementary forms should be returned to the schools.

Pupil Premium/Supplementary forms
Some schools (such as community primary schools) give priority within a category to children who are in receipt of the Early Years Pupil Premium (EYPP) at the time of application. To be considered for this priority parents /carers will be required to complete a Supplementary Information Form which must be endorsed by the child’s current school or nursery confirming that they receive pupil premium for the child. These forms can be downloaded from the Reading Borough Council Website or obtained from your child’s nursery setting. These forms should be sent to the School Admissions Team.

Straight-line distance (tie breaker)
An admission authority may use radial or straight-line distance from the home to school as part of over-subscription criteria. In most cases this is used to tell the difference between applications when there are more applications than places available in the same category of the over-subscription criteria. This is called the tie-breaker. In Reading all the schools measure the straight-line distance from the home to the school, using the Ordnance Survey data points of the home and the school, using computerised software of Reading Borough Council. Every address has a unique data point which is determined by the properties Easting and Northing. This point can be anywhere on the property. The distance created, using this software, is calculated to 3 decimal places.

In the rare event that two or more children live at the same distance (measured as stated above) from school (including for example, flats within the same building) and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). A member of staff from Committee Services Team for Reading Borough Council will supervise the selection process.

Waiting Lists
After 18 April 2016 a ‘waiting list’ will be kept if the school has more applicants than places available. A waiting list is always ranked according to the over-subscription criteria of the school and is normally only made up of children whose parents have not received an offer at a higher preferred school. Change of preference requests and late applications will be added to the waiting list after the 2 May 2016. When a place becomes available this will be offered to the next child on the waiting list. Positions on the waiting lists may go up or down due to places becoming available or additional late applications. Waiting lists
for Reading community primary schools will be held until the end of July 2017, after which parents/carers must re-apply for a place in Year 1. Other schools and Local Authorities may only retain the waiting list until the end of December 2016. You will need to check with the appropriate Admission Authority.

A child’s name will automatically be added to the waiting lists. If, however, you are happy to accept the allocated school you will have the opportunity to withdraw your child’s name from the waiting list(s) on the acceptance form.

Waiting lists for Years 1-6 will be kept according to policy of the appropriate Admission Authority as some may not keep waiting lists beyond the reception year group.

For those schools who operate ‘in year’ waiting lists, these will be held until the end of December 2017, after which time an applicant will be removed unless they reapply. To be placed on the waiting list after December, please reapply by completing an in year application form and sending it to the school admissions team.
**HOW TO APPLY**

There is a co-ordinated admissions process in England for admissions to primary schools. This means parents/carers must apply to their home Local Authority for any state maintained school in England.

- If you pay Council Tax to Reading Borough Council then you must apply to Reading Borough Council either online at [www.reading.gov.uk/schoolsadmissions](http://www.reading.gov.uk/schoolsadmissions) or by completing a paper application form.
- You can name up to four preferences
- You are advised to put more than one preference. Do not list the same school more than once
- You are advised to consider naming your catchment area school
- You should put the school you want first
- If you list another Local Authority School you must not apply to that authority as well
- You may need to complete a supplementary form for a voluntary-aided or foundation school. These forms are available from the Local Authority maintaining the school or from the school
- You must apply by the 15 January 2016
- Every parent/carer who has applied for a school place by the closing will be offered a place at one school. How you rank your preferred schools will decide which school you will be offered if there is a place available for your child at more than one school.
- The offer of a place by Reading Borough Council may be on behalf of another Admission Authority
- The offer letter will be posted on the 18 April 2016
- You will be required to accept the place offered by the 2 May 2016
- You can defer your child’s admission - see page 1
- All schools will hold waiting lists until at least the 31 December 2016

**APPLY ONLINE.**

- It is simple and convenient
- You can change your preferences at any time until the closing date
- You will receive an email to confirm your application has been submitted
- You will be able to print a copy of your completed application for your records
- You will receive an email on the morning of 18 April 2016 informing you which school has been allocated to your child. You will be able to access your application for further information.

Apply online at [www.reading.gov.uk/schoolsadmissions](http://www.reading.gov.uk/schoolsadmissions)

It is important to note that all applications for all schools are treated on an equal preference basis. This means where parents/carers rank the school on the application form will not be used to decide how places are allocated. If there are more applicants than places available, the places will be allocated according to the over-subscription criteria of the Admission Authority. The over subscription criteria for Reading Borough Council community schools are published on page 18 of this guide. Other schools have different over-subscription criteria and these are given on pages 43-80. The over-subscription criteria for schools in other Local Authorities will be published in the appropriate Local Authority guide for parents/carers.
The appropriate admission authority, for all the schools that you list on your application will consider your child for a place without regard to how you ranked the school. Applications for all the schools you list are considered equally. The admission authority, if that is not Reading Borough Council, will inform Reading Borough Council whether they are able to offer a place. Reading Borough Council will then look at your application to see which schools can be offered and how you ranked those schools. A place will be offered at the school you ranked highest that can offer a place as per the diagram below.

1. Can school 1 be offered?
   - Yes: Offer place at school 1
   - No: Child’s name added to waiting list

2. Can school 2 be offered?
   - Yes: Offer place at school 2
   - No: Child’s name added to waiting list

3. Can school 3 be offered?
   - Yes: Offer place at school 3
   - No: Child’s name added to waiting list

4. Can school 4 be offered?
   - Yes: Offer place at school 4
   - No: Child’s name added to waiting list

Reading Borough Council will offer a place at the catchment area school if it has spaces. If not, a place will be allocated at the closest school with spaces available.
Who should apply?

Parents and carers of children born between 1st September 2011 and 31st August 2012.

What if I don’t want my child to start school in September 2016?

Your child does not have to start school in September 2016. However, you must apply for a place by the 15 January 2016. Once you have secured a place at a school it is possible to delay your child starting school until they become statutory school age. (See table on Page 1). This is known as deferring entry. If you decide to defer, the school is required to reserve your child’s place until the end of the Reception year or statutory school age, whichever is earliest.

If you wish to defer your child’s place you should discuss this with your child’s nursery and the school allocated.

Can my child attend school part-time?

Parents/carers may ask for a part-time place until their child reaches statutory school age, if they believe that this is in their child’s best interest.

Parents cannot insist that a school provide a part-time place, that is individually tailored to their child. They can offer a minimum of 12-15 hours spread over every morning or similar depending on what meets the school’s needs and will work with parents/carers. Most parents and schools will be able to organise an arrangement that is amicable to both parties. If parents/carers are considering this option they will need to understand what that will mean to the child in terms of what he/she will be missing out on.

Can my child start school outside their normal year group?

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.

In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1.

Each case will be considered individually and a decision will be made in every case that is in the best interest of the child, taking into account the parents’/carers’ views, information about the child’s academic, social and emotional development from their current setting, where relevant, their medical history and the views of a medical professional, whether they have previously been educated out of their normal age group and whether they may naturally have fallen into a lower age group if they had not been born prematurely. In each case the Headteacher of the school to which the parents are seeking admission will be consulted and their views will be taken into account.

Where the request is for a summer born child to start school in a reception class in September 2017, then the parents’/carers’ reasons will be carefully considered and if they are confident it is in the best interest of their child to start school for the first time when they are five then this will be the deciding factor, if the other evidence is balanced. In circumstances where professionals have significant concerns the request may not be approved.

Details of each school’s policy for admission outside of the normal age group can be found with each school’s oversubscription criteria later in this guide.

To request a child’s admission is delayed to start in September 2017 parents/carers must apply in writing giving their reasons and supply any supporting documents i.e. information from their child’s education setting or medical evidence. At the same
time they must make an application for a reception place, in the normal way for September 2016 by 15 January 2016. Each case will be carefully considered and parents/carers will be informed of the decision in writing, before 16 April 2016, setting out clearly the reasons for the decision. If the request is agreed then the application submitted for September 2016 will be withdrawn before a place is offered and a new application must be submitted for September 2017. The decision made by an admission authority is not binding on any other Admission Authority.

If refused, then parents must decide whether to accept the offered place, or refuse it and make an in year application for Year 1 in September 2017.

Parents of children born between 01/09/2011 and 31/08/2012 should still apply before 15th January 2016 even if they are requesting their child to start school in Reception 2017.

Parents/carers will have a right of appeal but only if they have not been offered a place in another year group. If you are seeking to delay your child’s admission to primary school you should take into account that you can defer your child’s admission beyond September 2016.

**When is the closing date for applications?**
The national closing date for applications is 15 January 2016.

**Where should I return my completed application form?**
If you complete a paper application form you should return it to the Admissions Team: Admissions Team, Children, Education and Early Help Services, Reading Borough Council, Civic Offices, Reading, RG1 2LU.

Please check all sides of the form are completed and that the form is signed and dated. If you prefer you can also apply online at [www.reading.gov.uk/schoolsadmissions](http://www.reading.gov.uk/schoolsadmissions).

If you decide to apply online remember to submit your application before the closing date.

If your child attends a Reading Borough Council nursery class you can also return the form to the School Office at the school.

**How will I know if the Admissions Team has received my form?**
The Admissions Team will write to let you know that your form has been received. You should receive the letter within three weeks of returning the form.

If you apply online you will receive an email to confirm that you have submitted your form.

**What happens if my application is received after the closing date?**
Your application must be submitted by 15 January 2016. Places are not reserved for those who apply late. This rule applies even if you already have a sibling at your chosen school.

Applications received after the closing date will not be considered until after the first round of place allocations has been completed on 2 May 2016.

Sometimes there is a good reason for a late application such as illness preventing a single parent/carer returning the form on time or a family move to the area. If these applications are received by 1 February 2016 and are supported by either the medical professional involved in the case or documentary evidence to confirm the family move, then these applications will be treated as on-time applications.

**What happens if I move house?**
Applications can only be processed on the basis of the child’s current address. Places at over-subscribed schools cannot be reserved for children moving into the area.

If you move house after the closing date but before 1 February 2016 and you can provide documentary evidence i.e letting agreement valid for a year or a house purchase completion date showing that you will be resident by 1 February 2016 then that address will be used for the allocation of places.

If you move after 1 February 2016 your application will be considered after 2 May.
How do I get information about schools?
We strongly advise you to visit and see for yourself the quality of education on offer in Reading schools. The external appearance of a school can be misleading, and the reputation of a particular school may not accurately reflect what it is currently like. By visiting a school you can meet the headteacher and staff, and in many cases the pupils as well. Most schools can arrange individual visits, but please make an appointment, as schools are busy places. You should obtain a prospectus from the school or from the school's website which will give details about the:
• school's aims and objectives;
• curriculum offered;
• achievements and attainments;
• attendance figures;
• out of school activities;
• information on policies, such as behaviour and discipline.

The following government website can give you some of the above information:
http://schoolsfinder.direct.gov.uk

I have already registered my child at the school, do I still need to apply for a place?
Yes, you must apply for a school place to Reading Borough Council even if your child's name is on the ‘Register of Interest’ of a school.

My child attends the Nursery class at a school. Do I still need to apply for a place at the school?
Yes. If your child is attending a Nursery class at a school you must still apply for a place to Reading Borough Council by 15 January 2016.

Is my child guaranteed a place at the school if they attend the Nursery class at the school?
No. If your child has a place in a nursery class at a school, they are not guaranteed a place at the school. If the school is over-subscribed then the admission criteria of the school will be used to decide who will be offered a place.

I live in Reading Borough Council and I would like my child to attend a school in another Local Authority?
If you live in Reading Borough you must apply to Reading Borough Council for a primary school place for your child. Reading Borough Council will co-ordinate your application with the appropriate Local Authority. That authority will inform Reading if a place can be offered. Reading Borough Council will pass on that offer if that is the school you have ranked highest or it is the highest ranked school that can be offered.

What if I do not live in Reading and would like my child to attend a Reading school?
You must apply to your home Local Authority and that authority will co-ordinate your application with Reading.

Will I get a place at my preferred school?
All parents/carers have a right to express a preference for the school they wish their child to attend and if places are available the child will be admitted. However, each school has a limited number of places available and therefore requests for admission are subject to availability. The Admission Number for each school is given in the information about the individual schools. If there are more applications than places available, the school is over-subscribed and the published over-subscription criteria are used to decide which children will be offered a place. The law does not guarantee a place at a preferred school, and does not require schools to expand to meet increased demand. Your choice could affect your right to assistance with transport. Please see the section on financial assistance with transport on page 89.

Most parents/carers, who submit applications before the closing date, are offered a place at one of their preferred schools. However it is not always possible to meet all the requests for places at particular schools. Your chances of being offered a place may depend on a number of factors such as the number of people who apply, where you live, whether you have children already at the school, and for some voluntary aided schools, appropriate church links.
If we are unable to offer a place at any of the schools you listed, a place will normally be offered at your catchment area school, if it has spaces available. If this is not an option, a place will be offered at the closest Reading school with available places.

Details on how places have been allocated at Reading community schools for the academic year 2013/14, 2014/15 and 2015/16 are given on pages 25 to 29. This information is provided as a guide to help you assess the possibilities of obtaining a place. However, you need to be aware that demand for places and parental preference can vary from year to year and it is not possible to anticipate this.

This information is available for schools outside Reading from the appropriate Local Authority.

Where a place is refused, there is a right of appeal to an independent appeal panel. See page 15 of this guide for further information.

Will my child get a place at the same school as their sibling(s)?

The majority of children are able to go to the same school as their sibling(s). However, if a Reading community school is over-subscribed siblings will be considered according to the over-subscription criteria (see pages 18 to 21). Applications will be considered in the following ways.

Applications from parents/carers who have named the school and have an older child at the school in September 2016 and:

- live in the catchment area of the school will be category (3), a high criteria for admission.

- or do not live in the catchment area of the school but whose older child was admitted to the school because they were unable to gain a place at the designated area school because it was over-subscribed will be considered as category (3) in the same way as above. Please inform the team if you believe this applies to your child.

- or whose older sibling will still be attending the school in September 2016 and the home address is the same as when the sibling was admitted to the school and that address was in the catchment area of the school at the time the sibling was admitted to the school. These siblings will also be category (3)

- or do not live in the catchment area of a school will be category (5) of the over-subscription criteria and it will depend on the level of over-subscription. In previous allocation years it has not always been possible to offer places to children in some schools in this category. Please see the allocation of places on pages 25 to 29.

Other schools in Reading will consider siblings according to their admission policies as set out on pages 43 to 80.

Does living in the catchment area of a school guarantee I will get a place for my child at that school?

Children living in the catchment area of a school are given priority for admission but it does not guarantee admission. It will depend on the number of applicants from the catchment area. If there are more applicants from the catchment area than places available a place will only be offered if your child meets higher over-subscription criteria than other applicants. More information about how places were offered can be found on the schools pages 25 to 29.

Do I have to put my catchment area school as a preference?

No: However, if you do not list your catchment area school your child will not be considered for a place at that school. Living in the catchment area of a school does not guarantee admissions to that school neither does it mean you must send your child to that school. This means places will not be reserved at your catchment area school, you must apply for it to ensure your child is considered for admission. If you do not list your catchment area school as one of your preferences and the places are all allocated, your child will not be offered a place at the school, if we cannot offer any of the schools you do list. You may then be offered a place...
at a school some distance from your home. We suggest that you consider this and put your catchment area school as one of your preferences.

**How will my application be considered if my home is in the catchment area of more than one school?**

You must list all the schools in your preferred order if you would like your child considered for the schools and your application for all the schools will be ranked according to the over-subscription criteria. If it is possible to offer a place at more than one school it will the school you rank highest that will be offered for your child. If it is possible to offer a place at one of the schools then you will receive an offer at that school if it is your highest ranked school with a place available. If you list one of the schools your application will only be considered for that school. It does not however guarantee that your child will get a place at a catchment area school.

**What if I want my child to attend a church school?**

There are different types of schools with different church affiliations. The criteria for admission may be different. Details of the admission arrangements for Reading schools start on page 44. You will need to complete the School Supplementary form to enable the school to rank your application correctly. Details about schools in other Local Authorities can be found from the schools or the appropriate Local Authority.

**Is there a limit to the number of children admitted to infant classes?**

Yes, classes where the majority of children are in the Reception, Year 1 and Year 2 age groups, must not exceed a ratio of 30 children to one teacher. This is set out in the Schools Standards and Framework Act 1998 and the Education (Infant Class Sizes) (England) Regulations 1998. Some schools, because of the sizes of their classrooms or the school’s internal organisation, may have a single teacher in classes with fewer than 30 children. The class size limits do not mean that schools have to admit up to 30 children per class. Class size regulations can also affect the way an admission appeal is dealt with.

**Are places allocated on a first come, first served basis?**

No. However parents should be aware that the first round of allocations only considers those applications received by the closing date of **15 January 2016**.

**Can I change my preference after completing the application form?**

If you change your mind before the closing date of **15 January 2016** and you applied online you can change your preferences by returning to your application via the website. If you completed a paper application form you must write or email the admissions team to let us know your changed preferences. If you change your mind after the closing date and before the **1 February 2016** because there has been a change of circumstances then you must contact the Admissions Team stating your reasons for the change. The change of preference will only be accepted if there are good reasons i.e you have moved home.

If there are no changes to your circumstances then a change of preference will only be considered after the **2 May 2016**. If your preferred school is full, at that time, then your child’s name will be added to the waiting list which is ranked according to the over-subscription criteria of the school.

**When will I be told if I have been allocated a place at my preferred school?**

If you applied on time letters will be sent by post on **18 April 2016**. You should reply by **2 May 2016** to accept the place offered. If you do not return the acceptance form by this date then we may not be able to guarantee your child a place at the offered school. Places that become available in this way at over-subscribed schools may be re-allocated.

**What can I do if I am not offered a place at my preferred school(s)?**

If you are not offered a place at your preferred school(s) you may:
• appeal to an Independent Appeal Panel against the decision to refuse a place; and
• accept the alternative place offered;
• ask about the availability of places at other Reading schools.
• keep your child's name on the waiting list - see below.

Will my child's name be added to a 'waiting list'?

After the 18 April 2016 the Admissions Team will automatically add children to the ‘waiting list’ of the highest ranked preferred Reading school(s) at which it had not been possible to offer a place. Waiting lists will be ranked according to the over-subscription criteria. After 2 May 2016 positions on the lists may change due to late applicants accepted on the lists who meet higher admission criteria. The law clearly states that waiting lists must be ranked in accordance with the over-subscription criteria. The length of time on the list cannot be taken into account. Reading Borough Council will not keep waiting lists after 31 July 2017.

You must re-apply for Year 1 if it is not possible to offer a place from the waiting list before July 2017. This will be considered as an In Year admission.

Can I appeal if I am not offered a place at my preferred school(s)?

Yes, if you are not offered a place at your preferred school(s) you have 20 (school days) to lodge any appeals. Appeals should be submitted by 16 May 2016.

If your appeal is not submitted by this date then we cannot guarantee that your appeal will be heard with other appeals for that school.

Appeals for community schools in Reading will be heard by a panel independent of the Local Authority convened by the Committee Administration section of Reading Borough Council.

You can contact the Clerk to the Appeal Panel at:
Clerk to the Appeal Panel
Committee Services, Civic Offices, Bridge Street, Reading RG1 2LU. Tel: 0118 937 2532

or download an appeal form from Reading Borough Council's web-site
www.reading.gov.uk/educationandlearning

Appeal arrangements for voluntary-aided schools and schools in other Local Authorities will vary. Details about Reading voluntary-aided schools can be found on pages 43 to 80. Information for other Local Authorities can be found in the guide for parents/carers for the appropriate authority. Note: One infant class size appeal was allowed for the 2015 admissions round.

What is class size prejudice?
The Government has set a legal limit on the number of infant children who can be taught in a class with a single teacher. Class size prejudice occurs where an infant class has more than 30 children with a single teacher. The legal limit of no more than 30 pupils with a single school teacher in infant classes of 5, 6 and 7 year olds means that an Admission Authority can refuse to admit a child to a school where to do so would cause "class size prejudice". This means that, if another child were to be admitted, it would take the class number over the statutory limit of 30. If an infant class has more than 30 children, the school will have to take what are known as “qualifying measures” so they do not break the law. In order to comply with the law, and have an infant class of more than 30, the School must employ a second teacher for the class.

Does Infant Class Size affect my right to appeal for a place at my preferred school?
You still have a right of appeal. However, The Appeal Panel have to follow a different decision making process for infant class size appeals. If your appeal is considered to be an infant class size appeal, then the Appeal Panel is reviewing the Admission Authority's decision to refuse your child a place at the school. There are only limited circumstances in which an infant class size appeal can be allowed, and as such, only a limited chance of your appeal being allowed. The Appeal Panel is not permitted to balance your case against the school's case.
First Stage – examining the decision to refuse admission

The Appeal Panel can only allow an infant class size appeal at the first stage, if they find any of the following:

- the school's published admission arrangements do not comply with the legal requirements of the School Admissions Code and Part 3 of the School Standards and Framework Act 1998 and your child would have been offered a place if the published admission arrangements had complied with the legal requirements;
- the school's published admission arrangements have not been correctly and impartially applied in your child's case, and if they had been, your child would have been offered a place;
- the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

In making your case in support of your appeal, you must show that; your child was refused a place as a result of admission arrangements which did not comply with the legal requirements of the School Admissions Code and the School Standards and Framework Act 1998; or that a mistake had been made by the Admission Authority, which if it had not happened, would have meant that your child would have been admitted to the school; or that the decision to refuse admission was not reasonable.

In considering whether the Admission Authority has made an unreasonable decision, the Appeal Panel must determine whether the decision was one no reasonable Admission Authority would have made in the circumstances of the case, and the threshold for finding this is high. In this context, it is the legal meaning of “reasonableness” that applies, which means that an unreasonable decision is irrational or perverse to refuse to admit the particular child. The School Admissions Appeals Code (paragraph 4.10) states that “The Panel will need to be satisfied that the decision to refuse to admit the child was “perverse in the light of the admission arrangements” i.e. it was “beyond the range of responses open to a reasonable decision maker” or “a decision which is so outrageous in its defiance of logic or of accepted moral standards that no sensible person who had applied his mind to the question could have arrived at it”.

In reaching a decision, the Appeal Panel must take into account all relevant circumstances, including: the published admission arrangements and the parent's preference; the circumstances of the particular child and family; and the practical consequences for the school and children in relevant infant classes if the child were to be admitted.

Can I appeal for more than one school?

Yes, you can appeal for any number of schools.

Can I appeal more than once?

No, not unless your circumstances change. Parents/Carers can make a fresh appeal in a new school year but there is not a further right of appeal for the same child to the same school in the same school year. The only exception to this is where there is a material and significant change in the circumstances of either the parent/carer or child which is relevant to a further application. Full written evidence must be supplied before it is decided whether to allow another appeal.

A material and significant change of circumstances includes:

- the family has moved house;
- the child being taken into local authority care;
- the child becoming seriously ill;
- one or both of the parents/carers becoming seriously ill.
Can I get help with an appeal?

- ACE (Advisory Centre for Education) is an independent charity that provides free advice to parents on education matters including school admissions and school admission appeals.

**General advice line:**

0300 0115 142
http://www.ace-ed.org.uk/

- Department for Education – Parents Centre has some advice on their website
www.parentscentre.gov.uk/educationandlearning/

Will my child start full time immediately in September?

Reading Borough Council, in-conjunction with Headteachers, agreed that there would be a start date of the Monday following the start of term. This would allow time for schools to do home visits etc. Best practice is that children have a staggered entry into school wherever possible but this needs to be in agreement with the parent and should last no longer than two weeks from the beginning of term. Individual schools will have a programme of induction that will be explained to parents before their child starts.

Can the offer of a place be withdrawn?

Yes. Any place is offered on the basis that the information you provide is correct and up to date on 16 April 2016. If you give incorrect or intentionally misleading information Reading Borough Council may withdraw the offer of a place. The address you give MUST be your child's permanent address (see home addresses on page 3). If you give an incorrect address or do not update us with changes and we offer a place on the basis of that address, then the offer of the place may be withdrawn.

If the place offered is not accepted by the 2 May 2016 we will send a reminder. If the place not accepted by the date in the letter the place may be withdrawn.

If you decide to go on an extended holiday you must inform the Admissions Team or the school that you will be deferring your child's admissions to a later date. If you fail to do this and your child does not attend school when expected the place may be withdrawn after 20 school days.

Can I home educate my child?

Yes. Your child does not need to be in full time education until they reach statutory school age (Please see page 1) and you may choose to keep your child at home until that time. If you wish to home educate your child beyond statutory school age you are entitled to do so. If you decide to do that you should seek advice and you should seek advice and register with Reading Borough Council’s Elective Home Educational Services. Further information is available on www.reading.gov.uk/EHE or 0118 937 3840.

Where can I find information about term dates?

This information can be found on the Reading Borough Council website or from the website of each school.
OVER-SUBSCRIPTION CRITERIA FOR READING BOROUGH COUNCIL COMMUNITY SCHOOLS

The over-subscription criteria take no account of the parents’/carers’ order of preference. The application for each community school named by the parents/carers will be considered and ranked according to the criteria below.

Admission policies on school website or in the school prospectus may not reflect the current admission policy. Reading Borough Council is the admission authority for all community primary/junior schools and the policy in the guide will be used to allocate school places.

Category | Description
--- | ---
1 | Looked after Children in the care of a Local Authority or Children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order) immediately after they had been looked after, provided appropriate evidence is submitted. Please see Note 1
2 | Children who have strong medical or social grounds for admission. Please see Note 2
3 | Children whose permanent home address is in the catchment area of the school and have a sibling at the school at the time of application who is expected to be attending the school when the child starts school. This category may apply in other circumstances. Please see notes 3 and 4 below
4 | Children whose permanent home address is not in the catchment area of the school but have a sibling at the school at the time of application who is expected to be attending the school when the child starts school. Please see Note 5 below
5 | Children whose permanent home address is not in the catchment area of the school but have a sibling at the school at the time of application who is expected to be attending the school when the child starts school. Please see Note 5 below
6 | Children in receipt of Early Years Pupil Premium (EYPP) at the time of application who attends the nursery unit at the school
7 | Other children

Priority within the Over-subscription criteria

Within each of the above categories 1-5 and 7, priority will be given to children who are in receipt of the Early Years Pupil Premium (EYPP) at the time of application. To be considered for this priority parents/carers will be required to complete a Supplementary Information Form which must be endorsed by the child's current school or nursery confirming that they receive pupil premium for the child.

Admission arrangements to Community Junior Schools

Older siblings still attending the linked junior school will be considered as siblings for admission to the infant school.
Category

Children with a statement of special educational needs or Education, Health and Care plan (EHC) that names the school will be allocated a place above all other applicants.

1) Looked after children in the care of a Local Authority or Children who were looked after but ceased to be so because they were adopted or became subject to (to a child arrangement order or special guardianship order) immediately after they had been looked after.

Provided appropriate evidence is submitted. Please see Note 1 below

2) Children who have strong medical or social grounds for admission.

Please see Note 2 below

3) Children whose permanent home address is in the catchment area of the school and have at the time of application a sibling who is expected to be attending the school or Geoffrey Field Infant School when the child is due to start school

4) Children whose permanent home address is in the catchment area of the school. Please see Note 3 and 4 below

5) Children whose home address is not in the catchment area of the school but have a sibling who is expected to be attending the school or Geoffrey Field Infant School when the child is due to start school. Please Note 5 below

6) Children who are attending Geoffrey Field Infant School at the time of application

7) Other children

Priority within the Over-Subscription Criteria

Priority within each of the above categories will be given to children who are in receipt of Pupil Premium at the time of application. To be considered for this priority parent/carers will be required to complete a supplementary information form which must be endorsed by the child's current school confirming they receive pupil premium for the child.

NOTES RELATING TO THE OVER-SUBSCRIPTION CRITERIA

Note 1 Category 1 – Looked After Children and Previously Looked After

A ‘Looked After’ child is a child who a) in the care of a local authority, or b) being provided with accommodation by a local authority in the exercise of their social services functions as defined in Section 22(1) of the Children Act 1989 at the time of making an application for a school place.

A previously ‘Looked After’ child is a child who was looked after, but has been adopted or became subject to a child arrangement order or special guardianship order immediately following having been ‘Looked After’. Confirmation by the local authority that last looked after the child that the child was looked after immediately prior to the issuing of one of the following orders:

These are children adopted under the Adoption Act 1976 (Section 12) and children adopted under the Adoption and Children’s Act 2002 (Section 46). The Children and Families Act 2014 amended the Children Act 1989 and replaces residence orders with child arrangement orders.

Confirmation from the Local Authority that the child is in care or was in care from the Local Authority that last looked after the child must be submitted to the School Admission Team

Note 2 – Category 2 Medical/ Social Reasons

Children with a chronic medical condition or strong social grounds in the family will be considered in this category provided a written request from a professional (i.e. Educational Psychologist, Social worker, Doctor) supporting the child or family is submitted.

The request must state that the named school is the only school for the child because of the medical or social reasons of the child or family and that no other school can meet their needs. It is not enough for the professional to report what the parent/carer told them.
In addition, this category includes children who are subject to a child arrangement order or special guardianship order awarded to a family member in order to prevent the child being taken into care by a Local Authority. A copy of the order must be provided.

No individual officer will take responsibility for determining whether a case is ranked category. A panel of officers will make the final decision.

**Note 3 – Category 3 - Siblings**

Reading Borough Council revised the catchment areas of schools in Caversham in 2001 and Wilson Primary School in 2010 and the following protection is in place for siblings.

- Children whose home address is in the former catchment area of a school and have a sibling at the school and that sibling was admitted to the school from the same address will be treated as category 3 of the over-subscription.

**Note 4 – Category 3 - Siblings**

Where parents/carers applied for a place at their catchment area school for their child and it was not possible to offer a place at that school because the school was over-subscribed, a sibling protection applies for younger siblings as follows:

Where the child was admitted to a lower preference Reading community primary school, or allocated a place by the authority at an alternative Reading community primary school the application for any younger siblings for that school will be treated as catchment area and considered as category 3.

Parents/carers must inform the Admission Team at the time of application if they consider this exemption applies.

**Note 5 – Category 5**

This category covers siblings of children attending a school that is not the catchment area school for the home address. The older sibling was either admitted to school from the current address as the school parents had chosen or the family moved out of the catchment area after the older child was admitted.

**Definitions**

**Catchment area**

The catchment area of the schools can be seen from attached maps. These are a guide only. Exact catchment area information for individual address can be found on Reading Borough Council’s website www.reading.gov.uk at the ‘My Reading’ tab at top of the page.

**Tiebreaker**

If a school does not have enough places for all children in a particular category, places will be allocated to those living nearest the school. The distance is measured as a straight line between the Ordnance Survey data point for the child’s home address and the school using Reading Borough Council digital mapping software. In the rare event that it is not possible to decide between the applications of those pupils who have the same distance measurement then the place will be offered using random allocation. A member of Committee Services staff for Reading Borough Council will supervise the selection process.

**Multiple births (twins, triplets etc)**

Our policy for school admissions is that places are offered according to the oversubscription criteria. In the event that this would result in splitting multiple birth families the following rules will apply:

Where this occurs, in the majority of cases the other child/children will be offered a place. In very exceptional circumstances, where the admission of more than one additional child to the year group causes prejudice to the provision of efficient education and efficient use of resources it may not be possible to offer all multiple birth children a place.

In the event that siblings with a different date of birth but in the same year group are split by the over-subscription the following will apply;

When admission would take a class over 30 with 1 teacher (up to and including Year 2) – one child will be offered a place, selected by random selection which will be made in the presence of a representative of Reading Borough Council’s Committee services (It is, open to the parents to decline this offer and seek places for all their
children at another school or suggest the place is given to one of the other siblings). The other sibling(s) name(s) will put on the waiting list and will be offered the next available place(s). If admission of the other siblings will not contravene infant class size regulations then each case will be considered and in most cases the other child/children will be offered a place provided the admission will not prejudice the provision of efficient education and efficient use of resources.

Parent/Carers
A parent/carer is any person who has parental responsibility or care of the child. Parental responsibility for a child is set out in the Children Act 1989.

Home address
Is the permanent address of the parent/carer and their child. It must be the address where the child spends the majority of their school week in cases where the child lives at a different address for some days of the week. Temporary addresses cannot be used to obtain a school place whilst retaining a previous permanent home within Reading unless evidence is produced to show that this address is no longer available to the family i.e. the property has been rented out. Where an application has been submitted which shows a new temporary address evidence of a rental agreement of at least a year that goes beyond 1 September 2016 will have to be submitted. Where a family claims or it is evident that a child is resident at more than one address, justification and evidence of the family’s circumstances (e.g. legal separation) will be required. Reading Borough Council reserves the right to seek additional evidence of proof of address including the use of the data held by Reading Borough Council Tax. The home address is taken to be the address on the 18 April 2016 and any change of address after submitting the application must be notified to the Admissions Team at Reading Borough Council and the application will be reviewed using the new address. Any place offered based on misleading information with the intention of deception or fraud concerning a permanent home address will have the place withdrawn.

Siblings
Siblings are older siblings for purposes of admission criteria during the routine admission rounds. In Year applications will consider younger siblings but not a sibling attending the nursery class of a school. Siblings are children who have either the same mother or father, or they are children who live together in a family unit and with their parent/carer(s). Siblings must live at the same permanent home address as each other. If they do not live at the same address, then they are not treated as siblings.

There is a legal requirement to offer a full-time place to every child whose parents wish to take up that option from the September following a child’s fourth birthday.

Deferring a Place
Places offered in a Reading school are on a full-time basis from September 2016 as a “rising 5” admission. Children do not need to be in statutory education until the September, January or April after their fifth birthday.

When children are offered “rising 5” places, parent/carers may defer the place until January 2017 or April 2017 or until their child reaches statutory school age whichever is earlier, but may not defer after April 2017 as admissions beyond that are in the next school year. Parents will then need to re-apply for a place in Year 1, which may not have any places because the places will have been allocated to children in the previous year.

Part Time Admissions
If parents/carers consider it is in their child’s best interest to attend school on a part-time basis their request will be considered. If parents choose this option they cannot insist on part-time provision that is individually tailored to their needs. They will be offered a minimum of 15 hours spread over every morning or similar depending on what meets the school’s needs. Parents/carers must discuss this with the Headteacher to agree the best arrangements.

Admission outside of the normal age to Reading Borough Council Community Primary Schools
Reading Borough Council as the Admission Authority for community primary schools will consider each case individually and make a decision in every case that is in the best interest of the child, taking into account the parents’/carers’ views; information about the child’s academic, social and emotional development from their current setting; where relevant, their medical history and the views
of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if they had not been born prematurely. In each case the Headteacher of the school to which the parents are seeking admission will be consulted and their views will be taken into account.

Where the request is for a summer born child to start school in a reception class in September 2017, then the parents'/carers' reasons will be carefully considered and if they are confident it is in the best interest of their child to start school for the first time when they are five then this will be the deciding factor, if the other evidence is balanced. In circumstances where professionals have significant concerns the request may not be approved.

To request a child's admission is delayed to start in September 2017 parents/carers must apply in writing giving their reasons and supply any supporting documents i.e. information from their child's education setting or medical evidence. At the same time they must make an application for a reception place, in the normal way for September 2016 by 15 January 2016. Each case will be carefully considered and parents/carers will be informed of the decision in writing, before 16 April 2016, setting out clearly the reasons for the decision. If the request is agreed then the application submitted for September 2016 will be withdraw before a place is offered and a new application must be submitted for September 2017. The decision made by Reading Borough Council is not binding on any other Admission Authority. If refused, then parents must decide whether to accept the offered place, or refuse it and make an in year application for Year 1 in September 2017.

**Waiting Lists**

After 16 April 2016 ‘waiting lists’ will be created for Reading schools where it has not been possible to offer a place at the parents/carers first or a higher preference school. A child’s position on the waiting list is determined according to the over-subscription criteria and will be re-ranked when new children are added to the list as a result of late applications or change of preference. When a place becomes available this will be offered to the next child on the waiting list. After the 1 September 2016 children identified for placement as part of the Fair Access Protocol can be placed above those on the waiting list. Positions on the waiting lists may go up or down due to pupil withdrawals, new or revised applications. Reading Borough Council will keep waiting lists until end of July 2017 (End of Term 6 for reception classes). After this date the waiting lists will be abandoned. Parents/carers must then reapply for a place in Year 1 as an In Year Admissions application.

**In Year Admission Arrangements**

Parents/carers seeking admission for their child into Year 1 – Year 6 in a community primary school in Reading Borough Council must apply to Reading Borough Council. Parents/carers may apply direct to a Voluntary- Aided or Academy schools in the Borough although the majority of these schools have opted to be part of the coordinated admission arrangements and application are normally submitted to the Admissions Team at Reading Borough Council.

If there is a place in the parents'/carers’ preferred school the place will be allocated but if there are more applications than places available the over-subscription criteria, as outlined will apply and the places allocated to the child with the highest priority.

Children new to the area or have moved within the borough will be able to start at the school as soon as possible after their move. If the request is to move schools within the Borough without a home move the children will normally start at the beginning of the following term.

Once a child has started school, unless there has been a change of home address, any place offered from the waiting list will be from the beginning of the next term. Children allocated according to the Fair Access Protocol will take precedent over children on the waiting list.

Waiting lists for admission to Year 1-Year 6 will be held until 31 December 2016 after which parents/carers must reapply to request that their child remain on the waiting list until July 2017. The waiting lists will be ranked according to the over-subscription criteria.

**Appeals**

If it is not possible to offer a place at the preferred school(s) parents/carers will be advised of their right of appeal.
The Infant to Junior transfers are a part of a national co-ordinated scheme. Reading Borough Council must therefore manage the transfer arrangements centrally for children moving from infant to junior school. The following timetable will be followed.

- November 2015. Parents/carers who live in Reading Borough area and whose child is due to transfer from an Infant School will be sent a Reading Borough Council application pack.
- By 15 January 2016 parents/carers should complete the application form and return it to the Admissions Team.
- Places at junior schools will be allocated up to the published admission number. If the number of applications exceeds the places available they will be ranked according to published over-subscription criteria of the school.
- Applications for places in primary schools will not be considered as part of the Infant to Junior admission round. If parents/carers are seeking places in Y3 in a primary school the application can only be considered from the beginning of June 2016 and an In Year Admissions form should be completed. Places will be dependent on availability of places in Year 2 at that time.
- If parents/carers list a school in another Local Authority then Reading Borough Council will co-ordinate the process with the appropriate Local Authority. If a place can be offered by that Local Authority and this is your highest ranked school that can offer a place you will be informed by Reading Borough Council on 16 April 2016. You will not receive an offer direct from the Local Authority maintaining the school or from the school. Please refer to the guide for parents and carers of the appropriate Local Authority on how they will allocate places.
- On 18 April 2016 offer letters for places in Reading schools will be sent to parents/carers living in Reading.
- By 2 May 2016 parents/carers must return the acceptance form to reserve a place at the school for September 2016.

**Will my child automatically transfer from Infant to Junior School?**

No: You must apply for a place. Your application will be considered for admission your preferred junior school or school that admits additional children into Year 3.

**IN YEAR ADMISSIONS 2015-16**

In year admissions are admissions to schools at any time during the school year for year groups that are already established. This will be for admission to a reception class, Year 1, Year 2, Year 3, Year 4, Year 5 and Year 6. In Year Admissions are no longer co-ordinated with other Local Authorities or with all schools in the Borough.

**How to apply for a primary school place outside of the usual school admissions round**

If your child is currently in a year between reception and year 6 and you want a place in a Reading primary school because you have moved or are moving to the area or you want your child to attend another school, you should complete the In Year Application Form.

If you have named as one of your preferences any of the following schools:

- All Saints C.E Infant School
- All Saints Junior School
- Churchend School
If you have any queries please contact the Admissions Team on 0118 937 3777 or email: admissions.team@reading.gov.uk

Apply online at www.reading.gov.uk/schoolsadmissions

- St John's C.E Primary School
- St Mary and All Saints' Primary School

you should also complete the In Year Application Form – and apply direct to the school.

If you live in Reading Borough Council and one of your preferences is a school in a neighbouring local authority please include the school on our form but you must contact the other local authority as you must apply to them as well. If you live outside Reading and wish to apply for a Reading school you should complete the appropriate form. We will inform your home local authority about the outcome of the application.

If you are applying for a voluntary-aided school you are advised to complete the school’s supplementary form as well. This is available from the school.

**Moving away from Reading?**

If you are moving away from Reading you must apply to the appropriate local authority.

**How long will it take for my application to be considered?**

The application process can, in some cases, take 20 school days before a child starts school. This may mean that your child is out of school for a period of time but every effort will be made to place children as quickly as possible. It will help to ensure a place is found quickly if applications are submitted before you move. Applications can be considered for a maximum of six weeks in advance.

If you move within the Reading Borough Council area and request a new school because it is difficult to travel to your child’s current school your child will be able to start school within 10 school days after we offer the place. If, however, you have requested a transfer because you prefer a different school then you must first ask your child’s current Headteacher to sign the application form. After we receive your application we will consider your request and if there is a place available for your child at your preferred school your child will not normally be able to transfer to that school until the beginning of the next school term.

**Will I be offered a place at my preferred school?**

As many schools are full it may not be possible to offer your child a place at your preferred school(s). Please note, that living in the designated area of a school does not guarantee your child’s admission to that school, nor do you have to send your child to the designated area school. You can apply for any school and your application will be considered but if that school is full in your child’s year group it will not be possible to offer a place. If there are more applicants than places available, the places will be allocated according to the over-subscription criteria of the school. You will be entitled to appeal if you are not offered a place at your preferred school(s).

**Fair Access Protocol**

Some children will have particular needs for additional support or have a priority placement which will be discussed with the schools to ensure that the right place is provided. Such cases will include children who have been temporarily or permanently excluded from other schools; or children with challenging behaviour for whom a change of school is in their best interest. Places for these young people will be allocated according to Reading Borough Council’s Fair Access Protocol which complies to the School Admission Code 2014. This policy can be obtained from the website www.reading.gov.uk/schoolsadmissions

**I am from overseas, is my child entitled to a school place?**

A child from overseas with a right to live in the UK with their parents has the same right to be admitted to a maintained school as any other child. This does not automatically apply to children on holiday or as visitors to the UK. You cannot apply until you and your child are resident in the UK.
The following tables provide information on the number of places allocated at Reading primary schools and if these schools were over-subscribed which categories of the over-subscription criteria were used to allocate the places. The over-subscription criteria can be found on pages 18 to 21 of this guide. Sometimes it is necessary to split a category of the over-subscription criteria. In these circumstances we use the tie-breaker of straight line distance between the home and school. The last distance from the school of the last place offered on that basis is in brackets in the table.

This information is given as a guide to help parents assess the realistic possibilities of obtaining a place at a school. However the demand for places and parental preference can vary from year to year and it is not possible to anticipate significant changes in demand and parental preference for future years.

A guide for parents/carers of the catchment areas of each primary school is given as maps on pages 30 to 34 of this Guide. If you require more details on catchment areas or distances from schools please contact the Admissions Team.

As admissions to schools can vary from year to year parents/carers need to take this into account if their preferred school(s) is not their designated area school if they have younger children. There can be no guarantee that we will be able to offer places to any younger siblings, if the school is over-subscribed in that year.

The unprecedented demand for school places across the Borough resulted in the need to create additional classes in September 2013, 2014 Schools which had additional classes are highlighted in the table. The extra classes at these schools does not mean they will be expanded in September 2016.

## ADMISSION POLICIES FOR READING VOLUNTARY AIDED AND ACADEMY SCHOOLS

### Allocation of places - 2015/2016 Admissions

The following schools in Reading were over-subscribed and places have been allocated according to the published admission policy of the school’s Governing Body as outlined on the appropriate page of the Guide for Parents and Carers. Please be aware that admissions policies may have changed for 2016. Where it has not been possible to offer places to all children in one category the tie-breaker has been applied. The last distance offered is in brackets and is measured in miles.

Waiting lists will operate for these schools and names will automatically be added to the list.

### Admission to Voluntary Aided and Academy Schools 2015/2016

The places at these schools have been allocated according to the Admission Policy of the Governing Body of the schools, as explained on the relevant page of the Guide for Parents and Carers 2015-2016. Where it has not been possible to allocate all the children in one category the tie-breaker has been applied and the last distance offered is in brackets and is measured in miles.

*random allocation was used to decide between the same distances.

Schools may need more information about your child so they can rank your application correctly against the schools' over-subscription criteria. It is, therefore, advisable where necessary to complete the school’s supplementary form as well as the Local Authority application form otherwise the school will not have all the information they need about your child. The forms are available from the schools and Reading Borough Council and should be returned to the appropriate school by the closing date of 15 January 2016.
The Admission Number is 20

Over subscription criteria

In the event of there being a greater demand for admission than there are places available, then children with a Statement of Special Educational Need or an Education and Health Care plan have priority and will always be admitted. Once places have been offered to these children, the following criteria or rules will be applied in the order set out below.

i  Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangements or special guardianship order. (See Note 2)

ii  Children with a sibling (Note 3) on the roll of All Saints Infants or Juniors School at the time of application and who is expected to be in attendance at the time of entry.

iii  Children who are habitual worshippers (note 7) at All Saints Church, Downshire Square or having been regular worshippers at another Anglican Church have moved to worship at All Saints following relocation in which case worship at both churches would be taken into account.

iv  Children with a normal home address (see Note 4) in the Ecclesiastical Parishes of St Marks and All Saints Reading, Holy Trinity Reading and Tilehurst St George. A map of the catchment area is attached to hard copies and available in the school office and a link to maps can be found on our school website

v  Children with exceptional medical needs, supported by written evidence, normally given by an independent medical officer, a doctor, a social worker or other appropriate person (see also note 5). This should set out the particular reasons why the school is the most suitable one and the difficulties that would be caused if the child had to attend another school.

vi  Children with exceptional social needs, supported by written evidence, normally given by a social worker, Education Welfare Officer or other appropriate person (see also note 5). This should set out the particular reasons why the school is the most suitable one and the difficulties that would be caused if the child had to attend another school.

vii Other children.

Proximity of the child’s home, as measured by straight line distance (see also note 6) with those living nearer being accorded the higher priority, will serve to differentiate between pupils in criteria i to vii should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school.

Note 1: “Parent” is defined in law (The Education Act 1996) as either:
- any person who has ‘parental responsibility’ (defined in the Children Act 1989) for the child or young person; or
- any person who has care of the child or young person.

If you are in any doubt, please contact the school for advice.

Note 2: By a “looked-after child” we mean one in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A ‘child arrangements order’ is one settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, Section 8, as amended by the Children and Families Act 2014, Section 14). A ‘special guardianship order’ is one appointing one or more individuals to be
a child’s special guardian/s (Children Act 1989, Section 14A). Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order).

Note 3: Sibling refers to brother or sister, half brother or sister, adopted brother or sister, stepbrother or sister, or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

Note 4: By normal home address, we mean the child’s home address. This must be where the parent or legal carer of the child lives with the child unless it is proved that the child is resident elsewhere with someone else who has legal care and control of the child. The address should be a residential property that is owned, leased or rented by the child’s parent/s or person with legal care and control of the child.

Note 5: When applying under criteria v and vi (exceptional medical or social needs), you must include supporting evidence from an independent professional person who is aware of the situation and supports your reasons for preferring All Saints Infants School. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused if your child had to attend another school. The person supplying the evidence should be a doctor, health visitor, social worker, etc. who is aware of your child’s or your own case. The school reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.

Note 6: The straight line distance will be measured by the Reading Borough Council’s Geographical Information System using the Ordnance Survey data point of the home and the school.

Note 7: A habitual worshipper is defined as attending meetings or services at an Anglican Church at least once a month, excluding weddings, funerals and christenings, (except for the child’s own christening) in the year prior to the date of application. Where it is necessary to take into account worship at more than one Church two supplementary forms should be completed, one for each Church.

Admission outside normal age group

Requests from parents for places outside a normal age group will be considered carefully e.g. for those who have missed education due to ill health. Each case will be considered on its own merits and circumstances. However, cases will not normally be agreed without a consensus that to do so would be in the pupil’s interests. The governors will ask relevant professionals for their opinion on the case.

Waiting Lists

The waiting list for children in the foundation stage is maintained by Reading Borough Council and will be maintained for one term. The position on the waiting list is determined according to the over-subscription criteria i-vi above, and does not depend on the date on which an application is received. No account is taken of length of time on a waiting list. Applications for places in Years 1 and 2 are placed on a waiting list operated by the school admission authority on behalf of the governing body and places are allocated in accordance with the over subscription criteria and as determined by the Admissions Code 2014.

Multiple births

In cases where there is one place available, and the next child on the list is a twin, triplet, etc. the following rule will apply: We would offer all children a place.
Appeals

Parents/carers have the right to appeal to an independent appeal panel and the appeal will be considered according to the regulations set out in the DCSF School Appeals Code 2012. How to appeal will be explained to parents in the letter, which informs them it is not possible to offer a place. They will also be informed why it was not possible to offer a place.

For further information, in the first instance, please contact the Admissions Secretary at the school.

ALL SAINTS JUNIOR SCHOOL - FREE SCHOOL

Admission number 25

Admissions criteria

Where the number of applications for admission is greater than the published admissions number for any relevant age group, the Free School will consider applications against the criteria set out in the sub-paragraphs below. This does not apply to pupils with statements of Special Educational Needs or Educational Health Care Plan where the Reading Free School is named in the statement, who will be admitted first.

1) A “looked after child” is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function (see definition in section 22(1) of the Children Act 1989). Previous “looked after children” include those children under the terms of the Adoption and Children Act 2002 (section 46 relating to adoption orders), Children Act 1989, section 8 which defines a special guardianship order as an order settling the arrangements to be made as to the person with whom the child is to live and section 14A which defines a “special guardianship order” as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Applications received under the Criterion A must be made by the person with parental responsibility for the child (e.g. the child’s social worker, acting on behalf of the local authority for a looked after child) and will need to be supported by the following official documentation, as applicable:

i. Confirmation by the home local authority that the child is looked after

or

ii. Confirmation by the local authority that last looked after the child confirming that the child was looked after immediately prior to the issuing of one of the following orders

a. Adoption Order

b. Child Residence Order

c. Special Guardianship Order.

2) Children who have strong medical or social grounds for admission (see definition of medical or social grounds below)

3) Children who are attending All Saints Infant School

4) Children living in the designated area who have a sibling who will still be attending All Saints Infant or the Junior Free School in the coming September

5) Children whose home address is not in the designated area of the school but have a sibling(s) who will still be attending All Saints Infant or the Junior Free School in the coming September

6) Children whose permanent home address is in the designated area of the school

7) Other children.

Home Address

The definition of home address is the permanent home address of the child and his/her parent(s)/carer(s). Temporary addresses used solely for admission to a school will not be accepted.

Applications are processed on the basis of the child’s single permanent home address
where he/she lives with his/her parent(s) or carer(s). Where the home address has changed from the address provided to the early years provider or changes during the application process, evidence regarding the new address and disposal of the previous address through a contract of sale or change of tenancy agreement may be required. A tenancy agreement must be for one year or more. Parents/carers will be asked to declare that the address used will be the child's home address beyond 1 September 2015. Any change of address after submitting the application must be notified to Reading Borough Council.

The Admissions Team will check the records held by Reading Borough Council Tax Department to confirm the home address supplied. It may be necessary to carry out additional investigations and seek additional proof of address, e.g. child benefit, medical cards, driving licence. If a child spends part of the week with parents at different addresses, the home address will be where he/she usually spends the majority of the school week (Monday to Friday, including nights) with a parent. Where a family claims to be resident at more than one address, justification and evidence of the family’s circumstances (e.g. legal separation) will be required. Temporary addresses whilst retaining a permanent home in Reading will not be accepted. If a child does not live with a parent or legal carer, for example in a single-parent family where the parent is ill and the child lives with a grandparent for the majority of the week, a full explanation will need to be supplied together with supporting evidence from a professional supporting the family/child. Offer letters will be sent to the address supplied and used for the allocation of the place at the named school. If the home address has changed and the school has not been notified, then the place offered in the letter may be withdrawn. Offers received by email or viewed on the online service are not a formal offer.

Medical/Social Reasons
These relate to a child with a chronic medical condition or strong social grounds, where the application must be fully supported by written confirmation from the professional person involved in the case, stating that the school should be attended for these medical or social reasons. It is not enough for the professional to report what the parent/carer has said.

Siblings
Siblings are children who either have the same mother or father, or are children who live together in a family unit and with their parent/carer(s). Siblings must also live at the same address as each other. If they do not live at the same address, then they are not treated as siblings.

Tie-breaker
If the school does not have enough places for all applicants in any category apart from category 1 (LAC), places will be allocated to those living nearest the school. Distance is measured on the straight line between Ordnance Survey data points for the home address and the school, using Reading Borough Council’s digital mapping software.

In the rare event that two or more children live at the same distance (measured as stated above) from school (including, for example, flats within the same building) and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). A member of staff from Committee Services for Reading Borough Council will supervise the selection process.

Multiple Births (twins, triplets etc)
Our policy for school admissions is that places are offered according to the oversubscription criteria. In the event that it would result in splitting a multiple birth family then all multiple birth siblings will be offered a place even if that means exceeding the admission number of the school.
Waiting Lists
Applications for places in Year 3 will be placed on a waiting list and where places become vacant, places will be allocated in accordance with the school's oversubscription criteria.

In-year Admissions 2015-16
Parents/carers seeking admission to Year 3 to Year 6 after September 2016 should apply to the school direct, although applications made to Reading Borough Council will be sent on to the school. The application will be considered by the Admission Committee of the Governing Body. If there is a vacancy, and there is no other application for admission to the relevant year group with a higher priority according to the over-subscription criteria, a place will be offered. Application forms are available from the school or Reading Borough Council.

In some cases places will be allocated using the 'Fair Access Protocol' of Reading Borough Council.

Places will be first allocated to students with statements of special educational need or an Educational Health Care Plan. Then, if there are more applicants than places for the school, the remaining places will then be offered in the following order of priority:

1. Looked after children are children who are in the care of a local authority or provided with accommodation by that authority in accordance with section 22 of the Children’s Act 1989 and children who were looked after but ceased to be so because they were adopted (or became subject to a residence order) immediately after they had been looked after. Appropriate evidence should be submitted to confirm previously looked after children. This would be confirmation by the local authority that last looked after the child confirming that the child was looked after immediately prior to the issuing of one of the following orders:
   a. Adoption Order
   b. Child Residence Order
   c. Special Guardianship Order

2. Students with exceptional medical, social, or other needs that can only be met by providing a place at the particular school concerned rather than any other school.

3. Students with a sibling in attendance at the Academy and who will be expected to still be on roll in the year of entry. A Sibling refers to brother or sister, step brother or sister or the child of the parent/ carer’s partner where the child for whom the place is sought is living in the same family unit at the same address as that sibling. It also refers to any child who lives with parent/carers within a family unit at the same address.

4. Students who live closest to the Academy. Distances are measured from the ordnance survey data point of the home and the school. This will be measured using the computerised system of Reading Borough Council.

Applications made under criterion 2 will only be considered if supporting evidence from
an appropriate professional or other suitably qualified person (e.g., doctor or social worker) is attached to the application form.

**Students from multiple births (e.g., twins/triplets)**

Should the parents wish the children of multiple births to attend the same school, then all should be admitted.

**Split residence**

Where a student lives with parents that have shared responsibility for the child, the “residence” shall be considered as the home which the child resides for the majority of the school week. Where the child is split equally throughout the school week then the “residence” shall be defined as the home which the child is registered with their GP, or alternatively where child benefits are paid.

**Tie break**

Where several children have applied to the school and all have the same criterion, then the school places shall be allocated via random allocation.

**Operation of Waiting lists**

The Academy will operate a waiting list for each year group. Where in any year Battle Primary Academy receives more applications for places than there are places available, a waiting list will operate until the end of December. Any places offered from the school’s waiting list will be offered strictly in accordance with the above admission criteria and will not work on a first come first served basis.

**In Year Admissions**

Battle Primary Academy will follow Reading’s procedures for in year admissions. Applications will be considered in accordance with above oversubscription criteria. In the event that it is not possible to offer a place, the waiting list and appeals procedures described above will apply.

**Fair access protocol**

The school is committed to taking its share of vulnerable students who are hard to place, in accordance with locally agreed protocols. Accordingly, outside the normal round of admissions, the local school’s governing body is empowered to give absolute priority to a student where admission is requested under any local protocol which carries the agreement of the local authority for the current admission year. The governing body has this power even when admitting such a student would exceed the normal admission number.

**CHRIST THE KING CATHOLIC PRIMARY SCHOOL**

The Admission Number is 45

If there are more applications than places available then they will be prioritised according to the following criteria.

Children with a statement of special educational needs or an Educational Health Care Plan in which the statement names Christ the King school will take priority over all other applicants

1. Looked after children and children who were looked after but ceased to be so because they were adopted or became subject to a child arrangement order or special guardianship order
2. Children who are baptised into the Catholic faith.
3. Children who have siblings in the school at the time of admission.
4. Other applicants

**Multiple Births (Twins, Triplets etc)**

Our policy for school admissions is that places are offered according to the oversubscription criteria. In the event that it is not possible to offer a place to a sibling in this category we would work with the children’s parents/carers to find the best solution for them and for their children. Issues to take into account would be the possibility that another place might become available and class size regulations.
Tie-Break Criteria
If there is over subscription in any of the above categories the Governing Body will give priority to those living closest to the school. This will be determined by the shortest straight line distance measured from the data point of the home and the school using Reading Borough Council's digital mapping service.

Waiting list
A waiting list will be held by Reading Borough Council until the end of August 2016. The list will be ranked according to the over-subscription criteria above and will include any late applications. Therefore children can move up and down the waiting list.

Admissions to other year groups (In Year)
Applications for admissions to other year groups should be submitted to Reading Borough Council. If there are vacancies in the year group then a place will be offered. If there are more applications than places available then the over-subscription criteria above will be applied. Children without a school place will take precedence over children attending another school. Parents will have the right of appeal. When making an application for in-year admission, parents of baptised Catholic children should indicate this by completing a supplementary form.

Documentation/Evidence Required in Support of Application
Parents applying for a place in the school under criteria 2 will be asked to show the school a copy of their child's baptismal certificate.

Definition of terms
Home
The child's home means the child's normal home address and is the child's permanent address at the time of the application. This is regarded as being where the child spends the majority of the school week from Sunday night to Thursday night. In cases where a child has a split residence arrangement between the homes of two parents, the home will be where the child sleeps for most of the nights between Sunday and Thursday.

Sibling –
- A brother or sister sharing the same parents
- Half-brother or sister, where two children share one common parent
- Step-brother or step sister, where two children are related by a parent's marriage
- Adopted or fostered children

Children in Care –
This is a child who is in the care of a Local Authority or provided with accommodation by that authority, or in an arrangement supported by the Local Authority.

Meaning of Parent

S576 Education Act 1996
A parent in relation to a child or young person, includes any person who is not a parent but has parental responsibility for a child or who has care of a child.

Right of Appeal
Parents have a right of appeal against the decision of the Governing Body to refuse entry to the school.

Parents who wish to appeal against this decision may appeal to an independent appeals panel. Information on this procedure is available from The Clerk to the Appeals Panel, Civic Centre, Reading RG1 2LU. Telephone 0118 937 2532.

CHURCHEND SCHOOL

Admission Number
The school publishes an admission number of 60 and an admission number of 36 for years 3-6.
Oversubscription Criteria

The Governing Body will use the following oversubscription criteria to determine admission to reception and to determine admission to the additional places in years 3 – 6. The criteria are fully compliant with the School Admissions Code.

Category: Children with a statement of special educational needs/ Education Health care plan (EHCP) that names the school will be allocated a place above all other applicants;

1. Looked after children in the care of a Local Authority and children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangement or special guardianship order) immediately after they had been looked after. Provided appropriate evidence is submitted.(see evidence required on page 18)

2. Children who have strong medical or social grounds for admission (see definition of medical or social grounds below);

3. Children of staff at the school where either or both of the following circumstances apply: a) where the member of staff has been employed at the school for two years or more at the time at which the application for admission to the school is made, and/or b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;

4. Children who have sibling(s) who will still be attending the school in September 2016;

5. Children whose permanent home address is in the designated area of the school;

6. Other children

Tiebreaker

If a school does not have enough places for all applicants in a particular category places will be allocated to those living nearest the school. Distance is measured as a straight line between the Ordnance Survey data point for the home address and the school using Reading Borough Council digital mapping. In the rare event that two or more children live at the same distance(measured as stated above) from school (including for example, flats within the same building) and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). A member of staff from Committee Services Team for Reading Borough Council will supervise the selection process.

Multiple Births (Twins, Triplets etc)

Our policy for school admissions is that places are offered according to the oversubscription criteria. In the event that it would result in splitting a multiple birth family one of the following rules will apply:

Where this occurs each case will be considered and in the majority of cases the other child/children will be offered a place provided the admission will not prejudice the provision of efficient education and efficient use of resources e.g. if the application of this resulted in a class of 36 children with one teacher in a small classroom this could have serious implications to the school.

In the event that sibling with a different date of birth but in the same year group are split by the over-subscription the following will apply. During Key Stage 1 when admission would take a class over 30 (up to and including Year 2) – one child will be offered a place, selected by random selection which will be made in the presence of a representative of Reading Borough Council’s Committee services. (It is, open to the parents to decline this offer and seek places for all their children at another school or suggest the place is given to one of the other siblings). – the other sibling(s) names(s) will put on the waiting list and will be offered the next available place(s). If admission of the other siblings will not contravene infant class size regulations then each case will be considered and in most cases the
other child/children will be offered a place provided the admission will not prejudice the provision of efficient education and efficient use of resources.

Waiting List – Reception year
After 18 April 2016 the Admissions Team will automatically add children to the ‘waiting list’ of the highest ranked preferred school(s) at which it had not been possible to offer a place. Waiting lists will be ranked according to the over-subscription criteria. After 1 May 2016 positions on the lists may change due to late applicants accepted on the lists who meet higher admission criteria. The law clearly states that waiting lists must be ranked in accordance with over-subscription criteria. The length of time on the list cannot be taken into account. Reading Borough Council will not keep waiting lists after 31st July 2017. After this date the waiting lists will be abandoned. Parents / carers must then re-apply for a place in Year 1 as an In Year Admissions application. The waiting lists will be then ranked according to the over-subscription criteria and kept until 31 July 2017.

In Year Admissions (Years 1-6)
In year transfer applications will be administered by the school governors, acting as the Academy Admissions Authority. All applications MUST therefore be made using the school application form, which is available either from the school or via www.churchendacademy.com. Your application will then be referred to the governors acting as the Academy Admissions Authority.

If there is a vacancy, and there is no other application for admission to the relevant year group with a higher priority according with the Churchend Primary Academy Trust over subscription criteria, a place will be offered. In all cases where it is not possible to offer a place, a formal letter will be sent to you, outlining your right to appeal.

If you have not moved home but have requested an alternative school place, then the place will be offered from the beginning of the new term. You cannot apply for a place more than six school weeks in advance.

The school governors, as the Academy Admissions Authority, will maintain waiting lists for years 1 – 6, and when a vacancy becomes available, the place will be offered in accordance with the Churchend Primary Academy Trust over-subscription criteria.

The length of time on the list cannot be taken into account.

Waiting lists for Years 1 – 6 will be kept according to Academy Admission policy. The waiting list will be kept until the end of the academic year. After which the waiting list is abandoned. Parents / carers must then re-apply for the new-academic year in 2017. Churchend School increases the standard on-roll pupil number to 36 in Year 3. Any Infant to Junior transfer applications will be administered and coordinated by the LA.

Definitions
Parent / Carers
A parent/ carer is any person who has parental responsibility or care of the child. Parental responsibility for a child is set out in the Children Act 1989

Home address
Is the permanent address of the parents/ carers and their child. That is taken to be the address of the parent/ carer who receives child benefit for the child and is assumed to be the address where the child spends the majority of their time, even if he or she lives at a different address for some days of the week. Temporary addresses cannot be used to obtain a school place whilst retaining a previous permanent home within Reading unless evidence is produced to show that this address is no longer available to the family i.e. the property has been rented out. Where an application has been submitted which shows a new temporary address evidence of a rental agreement of at least a year that goes beyond 1 September 2016 will have to be submitted. Where a family claims to be resident at more than one address, justification and evidence of the family’s circumstances (e.g. legal
separation) will be required. Reading Borough Council reserves the right to seek additional evidence of proof of address including the use of the data held by Reading Borough Council Tax. The home address is taken to be the address on the 18 April 2016 and any changes of address after completion of the application form must be notified to the LA. Any child offered a place based on misleading information with the intention of deception or fraud concerning a permanent home address will have the place withdrawn.

Medical/ Social Reasons

Children with a chronic medical condition or strong social grounds in the family will be considered in this category provided a written request from a professional person (i.e. social worker, Doctor) supporting the child or family is submitted. The request must state that the named school is the only school for the child because of the medical or social reasons and that no other school can meets their needs. It is not enough for the professional to report what the parent/carer told them. Children with identified special educational needs will not be considered in this category as they will be assessed by the regulations in the Special Educational Needs Code of Practice 2001. No individual officer will take responsibility for determining whether a case is ranked category. A panel of three officers will make the final decision.

Siblings

Siblings are children who have either the same mother or father, or they are children who live together in a family unit and with their parent/carer(s). Siblings must live at the same permanent home address as each other. If they do not live at the same address, then they are not treated as siblings

Fair Access Protocol

Governors will adhere to the Local Authority Fair Access Protocol.

Appeals

Parents who are unsuccessful in obtaining a place at Churchend School have the right to appeal against the decision to an Independent Appeal Panel and the appeal will be considered according to the regulations set out in the School Admission Appeals Code in force at the time of the appeal.

CIVITAS ACADEMY

Civitas Academy – Reading is part of the REAch2Thames Valley Academy Trust family.

Admission Number: 60

Oversubscription Criteria

The oversubscription criteria take no account of the parents’/carers’ order of preference and applications for each school named by the parents/carers will be ranked according to the criteria set out below:

Special Educational Needs

Children who have a statement of Special Educational Needs or Educational Health Care Plan are placed in schools through the arrangements set out in the SEN Code of Practice and not through any admission criteria. Governing bodies are required by section 324 of the Education Act 1996 to admit a child with a statement that names that particular school. Parents of children with statements and EHC Plans should contact their child’s casework officer for further information. Children who have a statement/EHC Plan naming a school will be allocated a place even if that school is full. If the number of applicants without statements of educational needs naming the school is higher than the number of places available, the following rules are applied in the order of priority set out below to decide who will be offered a place.
<table>
<thead>
<tr>

<tr>
<td>5.</td>
<td>Children whose permanent home address is not in the catchment area of the school but have a sibling who is expected to be attending the school when the child starts school. Please see Note 5 below</td>
</tr>
</tbody>
</table>

A previously ‘looked after’ child is a child who was looked after, but has been adopted or became subject to a child arrangement order or special guardianship order immediately following having been ‘looked after’. These are children adopted under the Adoption Act 1976 (Section12) and children adopted under the Adoption and Children’s Act 2002 (Section 46). The Children and Families Act 2014 amended the Children Act 1989 and replaces residence orders with child arrangement orders.

Confirmation from the Local Authority that the child is in care or was in care from the Local Authority that last looked after the child must be submitted to the School Admission Team.

Note 2 – Category 2 Medical/ Social Reasons
Children with a chronic medical condition or strong social grounds in the family will be considered in this category provided a written request from a professional (i.e. Educational Psychologist, Social worker, Doctor) supporting the child or family is submitted. The request must state that the named school is the only school for the child because of the medical or social reasons of the child or family and that no other school can meet their needs. It is not enough for the professional to report what the parent/carer told them. No individual officer will take responsibility for determining whether a case is ranked category. A panel of officers will make the final decision.

Note 3 – Category 3 - Siblings
Children whose home address is in the former catchment area of a school and have a sibling at the school and that sibling was admitted to the school from the same address will be treated as category 3 of the over-subscription.

Note 4 – Category 3 - Siblings
On occasions, where parents/carers have requested places at their catchment area school for their child it has not been possible to offer a place because the school was over-subscribed and the child was admitted to a lower preference school, or allocated a place by the authority at an alternative school. Where this has happened applications for younger siblings will be treated as catchment area and considered as category 3. This includes children admitted to a bulge class. Parents/carers are advised to inform the Admission Team at the time of application if they consider this exemption applies.

Note 5 – Category 5
This category covers siblings of children attending a school that is not the catchment area school for the home address. The older sibling was either admitted to school from the current address as the school parents had chosen or the family have moved out of the catchment area after the older child was admitted.
Map showing the location of Civitas Academy in the catchment area it shares with Wilson Primary School and Oxford Road Primary School.

Civitas Academy follows the Reading Borough Council policies for other information such as definitions, multiple births and in year admissions (see pages 20-22).

The tie-breaker used by The Civitas Academy is the straight line distance from the home to the school as determined by Reading Borough Council’s digital mapping software. No account is taken of early Years Pupil premium by the Civitas Academy.
ENGLISH MARTYRS’ CATHOLIC PRIMARY SCHOOL

Working together to provide the very best in Catholic Education.

“There is a variety of gifts but the same Spirit gives them. There are different ways of serving but the same Lord is served. There are different abilities to perform service, but the same God who gives ability to all for their particular service. The Spirit’s presence is shown in some way in each person for the good of all.” 1 Corinthians 12: 4 - 7

The Admission Number is 60

Should there be more applications than places available the Governing Body will offer places, up to the published admissions number, in the following category order:

Categories

1. Baptised Catholic ‘looked after children’ and previously ‘looked after children’.
2. Baptised Catholic children with a sibling attending the school at the time of the proposed admission of the applicant.
3. Other Baptised Catholic children.
4. Other ‘looked after children’ and previously ‘looked after children’.
5. Other children with a sibling attending the school at the time of the proposed admission of the applicant.
7. Children from other Christian faiths.
8. Children from other religious faiths.
9. Other applicants.

Priority in any oversubscribed category will be given to those children living nearest the School. Distance will be measured using Reading Borough Council’s digital mapping software which works using Ordnance Survey data points for the home address and school.

Multiple Births (Twins, Triplets etc)

Our policy for school admissions is that places are offered according to the oversubscription criteria. In the event that it would result in splitting a multiple birth family the following rule will apply: All multiple birth siblings will be offered a place, even if this means exceeding the admission number of the school and / or exceeding the infant class size regulations.

Tie-breaker

In the event that siblings with a different date of birth but in the same year group are split by the over-subscription the following will apply: During Key Stage 1 when admission would take a class over 30 (up to and including Year 2) – one child will be offered a place, selected by random selection which will be made in the presence of a representative of Reading Borough Council’s Committee Services. (It is, open to the parents to decline this offer and seek places for all their children at another school or suggest the place is given to one of the other siblings). The other sibling(s) name(s) will put on the waiting list and will be offered the next available place(s) If admission of the other siblings will not contravene infant class size regulations then all siblings born in the same year group will be offered a place even if that means exceeding the admission number of the school.

Waiting List

Parents of children who have not been offered a place at the school may ask for their child’s names to be placed on a waiting list. Placing a child’s name on the waiting list does not guarantee that a place will become available. This does not prevent parents from exercising their right to appeal against the decision not to offer a place. The waiting list will be maintained by Reading Borough Council until the end of July 2017 and children will be ranked, according to the above categories, each time a child is added.

Late Applications

Any late applications will be considered by the Governors’ Admissions Committee in the event of there being any available places using the above categories. If all places have been filled, parents will be offered the opportunity of placing their child’s name on the waiting list. This does not prevent parents from exercising their right to appeal against the decision not to offer a place.
Definitions

Catholic: A Catholic is a baptised member of a church which is in communion with the See of Rome or a person received into the Catholic Church.

Children with a Statement of Special Educational Needs: Children with a Statement of Special Educational Needs that name this School will automatically be admitted to the school and will count towards the admission number. NB. Statements of SEN are currently in transition to Education, Health and Care (EHC) Plans. These will be treated in the same way.

The SEN and Disability Legislation: This legislation prevents a school discriminating in its decisions on admissions on the grounds that a child has a disability. A child with a disability will be treated equally alongside other applicants.

Looked After Children: Children who are registered as being in the care of a Local Authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989(a), e.g. fostered or living in a children’s home, at the time an application for a school is made.

Previously Looked After Children: Children who have previously been in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989(a) and who have left that care through adoption, a child arrangement order or special guardianship order.

Confirmation by the local authority that last looked after the child, that the child was looked after immediately prior to the issuing of one of the following orders:

- These are children adopted under the Adoption Act 1976 (Section 12) and children adopted under the Adoption and Children’s Act 2002 (Section 46).

Sibling: Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

Home Address: Where a child lives with parents with shared responsibility each part of the week, the home address will be considered as the address of the person whose name is on the child benefit notification.

Other Christian faiths: Membership of a Church Community which is part of “Churches Together in England”. A list of member churches can be found at www.cte.org.uk

Equality of Opportunity

In light of the 2010 Equality Act, this policy has been written with due consideration to its potential impact (both positive and negative) on the many diverse groups of adults and children within the school. The school has ensured that to the best of its knowledge, the statements and procedures set out in this policy do not discriminate unjustly against any such groups or individuals.

Admission outside normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. Applications outside the normal age group must be made as detailed below for the main admissions round. Governors will apply the oversubscription criteria to applications but will also make decisions on the basis of the circumstances of each case and in the best interests of the child concerned. This will take into account the parent’s views; information about the child’s academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally...
have fallen into a lower age group if it were not for being born prematurely.

**In Year Admissions**

Applications for admissions to other year groups will be considered by the Admissions Committee of the Governing Body. If there are vacancies in the year group then a place will be offered. If there are more applications than places available then the over-subscription criteria below will be applied. In accordance with Reading Borough Council’s agreed In-Year Fair Access Protocol, children without a school place will take precedence over children attending another school. Parents will have the right of appeal. The Governing Body will adhere to Reading Borough Council’s agreed In-Year Fair Access Protocol and parents should submit an application to Reading Borough Council. It would be helpful if parents could also complete the school’s own Supplementary Information Form since without this a child may be disadvantaged because the Governing Body may be unable to “rank” an application according to the over-subscription criteria. Supplementary Information Forms together with all supporting documentation should be returned to the school office. Reading Borough Council application forms and the School’s Supplementary Information Forms are available from the School Office and Reading Borough Council.

---

**Right of Appeal**

In accordance with the School Standards and Framework Act 1998 as amended by the Education and Inspections Act 2006, parents/carers have the right to appeal against the decision of the Governing Body in refusing to admit their child.

**MEADOW PARK ACADEMY**

**Admission Number 60**

If the school is oversubscribed, after the admission of pupils with a Statement of Special Educational Needs or Educational Health Care Plan where the school is named in the Statement/EHC Plan, priority for admission will be given to those children who meet the criteria set out below, in order:

1. A ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangement, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

2. Children for whom a particular school is appropriate on exceptional medical grounds. Such applications will be considered under this criterion only if they are supported by an attached medical statement from a doctor. This must demonstrate that there is a very specific connection between the child’s medical need and the school requested. CfBT Schools Trust will make the decision related to such applications.

3. Children with a sibling attending the school at the time of application. Sibling is defined in these arrangements as half or full brother or sister; or adoptive brother or sister; or children of the same household. In the event of there being more siblings than there are remaining
places in a year group, it is possible that a sibling under these circumstances would not be offered a place. Where siblings exceed the remaining places in a year group, places will be allocated by the drawing of lots supervised by CFBT Schools Trust.

4) Other children by distance from the school, with priority for admission given to children who live nearest to the school as measured by using Reading Borough Council’s allocation criteria. Distances are measured in a straight line using the data point of the home and school.

In the case of a tie-break being necessary within criteria 4, children of multiple births (twins, triplets etc) will be given priority and then if a further tie-break is necessary, random allocation will be used.

**Operation of waiting lists**

1. Subject to any provisions regarding waiting lists in Reading Borough Council’s co-ordinated admission scheme, the Academy will operate a waiting list. Where in any year the Meadow Park Academy receives more applications for places than there are places available, a waiting list will operate. This will be maintained by the Meadow Park Academy in accordance with Reading Borough Council’s co-ordinated admissions scheme. The list will be kept until 31st December 2016, after which the parent will have to re-apply through Reading Borough Council Admissions.

2. Children’s position on the waiting list will be determined solely in accordance with the oversubscription criteria set out above. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

**NEW CHRIST CHURCH C OF E AIDED PRIMARY SCHOOL**

**Admission Number for Reception is 30**

In the event of there being a greater demand for admission than there are places available, then children with a Statement of Special Need or EHC plan naming New Christ Church CE School have the highest priority and will always be admitted to the School. Once places have been offered to these children, the following criteria will be applied, in the order set out below:

1. ‘Looked after’ children who are in LA care or in registered charitable care and children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangement order or special guardianship order.

2. Children with a sibling already in the school at the time of application and who is expected still to be in attendance in the year in which they enter and who has a normal home address (see Note 1) within the ecclesiastical parish of Christ Church, Reading.

3. Children with a sibling (see Note 2) already in the school at the time of application and who is expected still to be in attendance in the year in which they enter.

4. Children with a normal home address (see Note 1) within the ecclesiastical parish of Christ Church, Reading.

5. Children whose parents express a preference for a Church of England School, supported by evidence that a parent (see Note 3) has been a regular worshipper (on at least one occasion in each of the calendar months in the year preceding the date of the application) at Christ Church, Reading (See Note 4).

6. Children whose parents express a preference for a Church of England School, supported by evidence that a parent has been a regular worshipper (on at least one occasion in each of the
calendar months in the year preceding the date of the application) at a Church of England Church (see Note 4).

7. Children whose parents express a preference for a Church of England School, supported by evidence that a parent has been a regular worshipper (on at least one occasion in each of the calendar months in the year preceding the date of the application) at any other Christian Church that is a member of Churches Together in Britain and Ireland (see Note 4).

8. Other children.
We, at New Christ Church School, are a large ‘family’ of children and adults supporting one another. In partnership with the Parish of Christ Church and the community we celebrate our long history and achievements and strive for excellence in all that we do.
Togethers we aim to provide a nurturing environment, based on Christian values, where all individuals are treated with fairness, respect and equality. Proximity of a child’s home, as measured by the shortest straight line distance between the school and the child’s home, with those living nearer being accorded the higher priority, will serve to differentiate between pupils in criteria 1 - 7 should the need arise. These distances are measured using Reading Borough Council’s digital mapping software, which measures from the Ordnance Survey data point of the home to the data point of the school. Where two distances have exactly the same measurements, places will be allocated using the process of drawing lots in the presence of someone independent of the school.

Appeals
There are established arrangements for appeals against non-admission. Details are available from the school. It should be noted that, in the event of an unsuccessful appeal against non-admission to the school, the school does not consider any further application in the same school year (1 September – 31 August), unless there has been a material change in circumstances, for example a change of address.

Waiting List
The waiting list for children in the foundation stage (Year R) is maintained by Reading Borough Council. The position on the waiting list is determined according to the over-subscription criteria above, and does not
depend on the date on which an application is received. No account is taken of length of time on a waiting list.

The school does not maintain a waiting list for those children who are not offered a place in Years 1-6, although parents may register their interest in the school for their child; registering interest does not guarantee a child a place within the school.

**Twins and Multiple Births**

In cases where there is once place available, and the next child on the list is a twin, triplet etc, we would admit both twins (and all the children in the case of other multiple births) even if this meant exceeding the agreed admissions number of the number of available places in a year group. This policy was devised with reference to statutory regulations and in consultation with the Diocese of Oxford, Reading Borough Council and other interested Admissions Authorities.

**Note 1:** By normal home address, we mean your child’s home address. This is your child’s permanent address at the time you make your application for a place. It is where you and your child live. We regard a child’s home address to be where he or she spends the majority of the school week (Monday to Friday, including nights). We may ask to see official documentation, such as a child benefit book or medical card if there are reasons why a child does not live at his or her parent/carers’ address. For example, if he or she is resident with a grandparent, you need to tell us this on an application form. If you do not declare any arrangement such as this, or use a relative’s address on the application we may consider that you have made a false declaration and withdraw the offer of a place. Childcare arrangements are not sufficient reason for listing another address. The school reserves the right to check the validity of any address given, by asking for evidence such as the Electoral Register, or a recent bill confirming your name and address. If you are moving into the catchment area, we will ask for evidence of your move, before considering any application for a place.

Typical evidence is a letter confirming that you have a legally binding agreement to buy the house, or a letter indicating the formal lease arrangements for the house.

**Note 2:** By sibling we mean a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

**Note 3:** By parent/carer, we mean any person who has parental responsibility for or is the legal guardian of the child.

**Note 4:** The Governing Body asks the priest or minister to complete a form confirming church commitment.

A map showing the parish boundary is available from the School or can be found online at www.acny.org.uk/parishmap.php?postcode=RG20AY&access=1

**RANIKHET PRIMARY ACADEMY**

Admission Number is 60

*Ranikhet Academy is an academy and part of the in the REAch2Thames Valley Academy Trust family. The conversion to an academy status occurred in October 2015. This academy follows the same oversubscription criteria as for Reading Borough Council Community Schools.*

**Over Subscription Criteria**

Children with a statement of special educational needs or Education, Health and Care Plan (EHC) that names the school will be allocated a place above all other children.

1) Looked after Children in the care of a Local Authority or Children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order) immediately after they had been looked after. Provided appropriate evidence is submitted – Please see Note 1
2) Children who have strong medical or social grounds for admission. Please see Note 2.

3) Children whose permanent home address is in the catchment area of the school and have a sibling at the school at the time of application who is expected to be attending the school when the child starts school. This category may apply in other circumstances.

4) Children whose permanent home address is in the catchment area of the school

5) Children whose permanent home address is not in the catchment area of the school but have a sibling at the school at the time of application who is expected to be attending the school when the child starts school.

6) Children in receipt of Early Years Pupil Premium (EYPP) at the time application who attends the nursery unit at the school.

7) Other children.

Priority within the Over-subscription criteria

Within each of the above categories 1-5 and 7, priority will be given to children who are in receipt of the Early Years Pupil Premium (EYPP) at the time of application. To be considered for this priority parents /carers will be required to complete a Supplementary Information Form which must be endorsed by the child’s current school or nursery confirming that they receive pupil premium for the child.

Notes relating to the above over-subscription criteria.

Note 1 – Category 1 – Looked After Children and Previously Looked After Children

A ‘Looked After’ child is a child who a) in the care of a local authority, or b) being provided with accommodation by a local authority in the exercise of their social services functions as defined in Section 22(1) of the Children Act 1989 at the time of making an application for a school place.

A previously ‘Looked After’ child is a child who was looked after, but has been adopted or became subject to a child arrangement order or special guardianship order immediately following having been ‘Looked After’. Confirmation by the local authority that last looked after the child that the child was looked after immediately prior to the issuing of one of the following orders:

These are children adopted under the Adoption Act 1976 (Section 12) and children adopted under the Adoption and Children’s Act 2002 (Section 46). The Children and Families Act 2014 amended the Children Act 1989 and replaces residence orders with child arrangement orders.

Confirmation from the Local Authority that the child is in care or was in care from the Local Authority that last looked after the child must be submitted to the School Admission Team

Note 2 – Category 2 Medical/ Social Reasons

Children with a chronic medical condition or strong social grounds in the family will be considered in this category provided a written request from a professional (i.e. Educational Psychologist, Social worker, Doctor) supporting the child or family is submitted. The request must state that the named school is the only school for the child because of the medical or social reasons of the child or family and that no other school can meet their needs. It is not enough for the professional to report what the parent/carer told them.

In addition this category includes children who are subject to a child arrangement order or special guardianship order awarded to a family member in order to prevent the child being taken into care by a Local Authority. A copy of the order must be provided.

No individual officer will take responsibility for determining whether a case is ranked category. A panel of officers will make the final decision.
Definitions

Catchment area
The catchment area of the schools can be seen from the map earlier in this guide. This is a guide only. Exact catchment area information for individual address can be found on Reading Borough Council’s website www.reading.gov.uk at the ‘My Reading’ tab at top of the page.

Tiebreaker
If the Academy does not have enough places for all children in a particular category, places will be allocated to those living nearest the school. The distance is measured as a straight line between the Ordnance Survey data point for the child’s home address and the school using Reading Borough Council digital mapping software. In the rare event that it is not possible to decide between the applications of those pupils who have the same distance measurement then the place will be offered using random allocation. A member of Committee Services staff for Reading Borough Council will supervise the selection process.

Multiple births (twins, triplets etc.)
Places are offered according to the oversubscription criteria. In the event that this would result in splitting multiple birth families the following rules will apply: Where this occurs, in the majority of cases the other child/children will be offered a place. In very exceptional circumstances, where the admission of more than one additional child to the year group causes prejudice to the provision of efficient education and efficient use of resources it may not be possible to offer all multiple birth children a place.

In the event that siblings with a different date of birth but in the same year group are split by the over-subscription the following will apply

During Key Stage 1 when admission would take a class over 30 (up to and including Year 2) – one child will be offered a place, selected by random selection which will be made in the presence of a representative of Reading Borough Council’s Committee services (It is, open to the parents to decline this offer and seek places for all their children at another school or suggest the place is given to one of the other siblings). The other sibling(s) name(s) will put on the waiting list and will be offered the next available place(s). If admission of the other siblings will not contravene infant class size regulations then each case will be considered and in most cases the other child/children will be offered a place provided the admission will not prejudice the provision of efficient education and efficient use of resources

Parent/Carers
A parent/carer is any person who has parental responsibility or care of the child. Parental responsibility for a child is set out in the Children Act 1989.

Home address
Is the permanent address of the parent/carer and their child. It must be the address where the child spends the majority of their school week in cases where the child lives at a different address for some days of the week. Temporary addresses cannot be used to obtain a school place whilst retaining a previous permanent home within Reading unless evidence is produced to show that this address is no longer available to the family i.e. the property has been rented out. Where an application has been submitted which shows a new temporary address evidence of a rental agreement of at least a year that goes beyond 1 September 2016 will have to be submitted. Where a family claims or it is evident that a child is resident at more than one address, justification and evidence of the family’s circumstances (e.g. legal separation) will be required. Reading Borough Council reserves the right to seek additional evidence of proof of address including the use of the data held by Reading Borough Council Tax. The home address is taken to be the address on the 18 April 2016 and any change of address after submitting the application must be notified to the Admissions Team at Reading Borough Council and the application will be reviewed using the new address.
Any place offered based on misleading information with the intention of deception or fraud concerning a permanent home address will have the place withdrawn.

**Siblings**

Siblings are older siblings for purposes of admission criteria during the routine admission rounds. In Year applications will consider younger siblings but not a sibling attending the nursery class of a school. Siblings are children who have either the same mother or father, or they are children who live together in a family unit and with their parent/carer(s). Siblings must live at the same permanent home address as each other. If they do not live at the same address, then they are not treated as siblings.

There is a legal requirement to offer a full-time place to every child whose parents wish to take up that option from the September following a child’s fourth birthday.

**Admission outside of the normal age**

The governing body will consider each case individually and make a decision in every case that is in the best interest of the child, taking into account the parents'/carers' views; information about the child's academic, social and emotional development from their current setting; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if they had not been born prematurely. In each case the Headteacher of the school to which the parents are seeking admission will be consulted and their views will be taken into account.

Where the request is for a summer born child to start school in a reception class in September 2017, then the parents'/carers' reasons will be carefully considered and if they are confident it is in the best interest of their child to start school for the first time when they are five then this will be the deciding factor, if the other evidence is balanced. In circumstances where professionals have significant concerns the request may not be approved.

To request a child's admission is delayed to start in September 2017 parents/carers must apply in writing to Reading Borough Council giving their reasons and supply any supporting documents i.e. information from their child's education setting or medical evidence. At the same time they must make an application for a reception place, in the normal way for September 2016 by 15 January 2016. Each case will be carefully considered and parents/carers will be informed of the decision in writing, before 16 April 2016, setting out clearly the reasons for the decision. If the request is agreed then the application submitted for September 2016 will be withdrawn before a place is offered and a new application must be submitted for September 2017. The decision made is not binding on any other Admission Authority. If refused, then parents must decide whether to accept the offered place, or refuse it and make an in year application for Year 1 in September 2017.

**Waiting Lists**

After 18 April 2016 ‘waiting lists’ will be created where it has not been possible to offer a place at the parents/carers first or a higher preference school. A child's position on the waiting list is determined according to the over-subscription criteria and will be re-ranked when new children are added to the list as a result of late applications or change of preference. When a place becomes available this will be offered to the next child on the waiting list. After the 1 September 2016 children identified for placement as part of the Fair Access Protocol can be placed above those on the waiting list. Positions on the waiting lists may go up or down due to pupil withdrawals, new or revised applications. Reading Borough Council will keep these waiting lists until end of July 2017 (End of Term 6 for reception classes). After this date the waiting lists will be abandoned. Parents/carers must then re-apply for a place in Year 1 as an In Year Admissions application.
In Year Admission Arrangements

Parents/carers seeking admission for their child into Year 1 – Year 6 must apply to Reading Borough Council.

If there is a place in the child’s year group, the place will be allocated but if there are more applications than places available the over-subscription criteria, as outlined will apply and the places allocated to the child with the highest priority. Children new to the area or have moved within the borough will be able to start at the school as soon as possible after their move. If the request is to move schools within the Borough without a home move the children will normally start at the beginning of the following term.

Once a child has started school, unless there has been a change of home address, any place offered from the waiting list will be from the beginning of the next term. Children allocated according to the Fair Access Protocol will take precedent over children on the waiting list.

Waiting lists for admission to Year 1-Year 6 will be held until 31 December after which parents/carers must reapply to request that their child remain on the waiting list until July 2017. The waiting lists will be ranked according to the over-subscription criteria.

Appeals

If it is not possible to offer a place at the preferred school(s) parents/carers will be advised of their right of appeal.

ST ANNE’S CATHOLIC PRIMARY SCHOOL

Admission Number is 30

The ethos of this school is Catholic. The school was founded by the Catholic Church to provide education for children of Catholic families. The school is conducted by its governing body as part of the Catholic Church in accordance with its Trust Deed and Instrument of Government and seeks at all times to be a witness to Jesus Christ.

If the number of applications exceeds the admission number, the governors will give priority to applications in accordance with the criteria listed, provided that the governors are made aware of that application before decisions on admissions are made (see Note 1 below). A map of the parish boundary is available to view at the school and parish or by post on request.

1. Baptised Catholic children (see Note 2 below) who are in the care of a local authority (looked-after children) or provided with accommodation by them (e.g. children with foster parents) (Section 22 of the Children Act 1989) and children who were previously looked after but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order).

2. Baptised Catholic children living within the Parish of Our Lady and St. Anne’s who have a brother or sister (see Note 3 below)

3. Baptised Catholic children living within the Parish of Our Lady and St. Anne’s

4. Other Baptised Catholic children who have a brother or sister in the school at the time of admission

5. Other Baptised Catholic children

6. Non-Catholic children who are in the care of a local authority (looked-after children) or provided with accommodation by them (e.g. children with foster parents) (Section 22 of the Children Act 1989) and children who were previously looked after but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order).

7. Non-Catholic children who have a brother or sister in the school at the time of admission

8. Non-Catholic children

Over Subscription tie-braker

If there is over-subscription within the category, the Governors will give priority to children living closest to the school
determined by shortest distance. Distances are calculated on the basis of a straight-line measurement between the applicant’s home address and the school. The local authority uses a computerised system, which measures all distances in miles. Ordnance Survey supplies the co-ordinates that are used to plot the data points within this system (See Note 4).

Multiple births or children living at the same address/distance
In a very small number of cases it may not be able to decide between the applicants of those pupils who are qualifiers for a place, when applying the published admission criteria.

For example, this may occur when children in the same year group live at the same address, or if the distance between the home and school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both or all of the children would cause the legal limit to be exceeded, the local authority will randomly select the child to be offered the final place. This will be conducted with a person who is not a member of the school admissions team. As an exception, the governing body will give careful consideration to offering places above the Admission Number to applications from children whose twin or sibling from a multiple birth is admitted even when there are no other vacant places.

Note 1: Children with a Statement of Special Educational Needs or an Education Health Care Plan that names the school must be admitted. This will reduce the number of places available to other applicants.

Note 2: In all categories, for a child to be considered as a Catholic, evidence of Catholic Baptism or Reception into the Church will be required. For a definition of a Baptised Catholic see the Appendix. Those who face difficulties in producing written evidence of Baptism/Reception should contact their Parish Priest. Parents making an application for a Catholic child should also complete the school’s supplementary information form (SIF). Failure to complete the SIF/provide evidence of Catholic Baptism/Reception may affect the criterion the child’s name is placed in.

Note 3:
The definition of a brother or sister is:
• A brother or sister sharing the same parents;
• Half-brother or half-sister, where two children share one common parent;
• Step-brother or step-sister, where two children are related by a parent’s marriage;
• Step-brother or step-sister;
• Adopted or fostered children.
The children must be living permanently in the same household.

Note 4: The home address of a pupil is considered to be the permanent residence of a child. The address must be the child’s only or main residence for the majority of the school week. Documentary evidence may be required. Where care is split equally between mother and father, parents must name which address is to be used for the purpose of allocating a school place.

Nursery
Parents must apply on the LA form for a place in Reception Class. Attendance at a nursery does not automatically guarantee that a place will be offered in main school.

Appeals
Parents who wish to appeal against the decision of the Governors to refuse their child a place in the school may apply in writing to Chair of Governors. Appeals will be heard by an independent panel.

Repeat Applications
Any parent can apply for a place for their child at any time outside the admissions round. Parents do not have the right to a second appeal in respect of the same school for the same academic year unless, in exceptional circumstances, the admission authority has accepted a second application from the appellant because of a significant...
and material change in the circumstances of the parent, child or school but still refused admission.

**Waiting Lists**
Waiting lists for admission will remain open until the end of December 2016 and will then be discarded. Parents may apply for their child's name to be reinstated until the end of the academic year when the list will be discarded. The waiting list will be kept by the governing body in admission criteria order. This means that a child's position on the waiting list could go up or down. Inclusion of a child's name on the waiting list does not mean that a place will eventually become available. Children who are the subject of a direction by a local authority to admit or who are allocated to a school in accordance with a Fair Access Protocol take precedence over those on a waiting list.

**In Year Applications**
An application should be made to the local authority who will need to consult with the governors. There is no charge or cost related to the admission of a child to this school.

**DEFINITION OF A “BAPTISED CATHOLIC”**
A “Baptised Catholic” is one who:
- Has been baptised into full communion (Cf. Catechism of the Catholic Church, 837) with the Catholic Church by the Rites of Baptism of one of the various ritual Churches in communion with the See of Rome (i.e. Latin Rite, Byzantine Rite, Coptic, Syriac, etc., Cf. Catechism of the Catholic Church, 1203). Written evidence* of this baptism can be obtained by recourse to the Baptismal Registers of the church in which the baptism took place (Cf. Code of Canon Law, 877 & 878).
- Or
- Has been validly baptised in a separated ecclesial community and subsequently received into full communion with the Catholic Church by the Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases, a sub-section of the Baptismal Registers of the church in which the Rite of Reception took place (Cf. Rite of Christian Initiation, 399).

**WRITTEN EVIDENCE OF BAPTISM**
The Governing bodies of Catholic schools will require written evidence in the form of a Certificate of Baptism or Certificate of Reception before applications for school places can be considered for categories of “Baptised Catholics”. A Certificate of Baptism or Reception is to include: the full name, date of birth, date of baptism or reception, and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of Baptism or Reception.

Those who would have difficulty obtaining written evidence of Baptism/Reception for a good reason, may still be considered as baptised Catholics but only after they have been referred to their parish priest who, after consulting the Vicar General, will decide how the question of Baptism/Reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

Those who would be considered to have good reason for not obtaining written evidence would include those who cannot contact the place of Baptism/Reception due to persecution or fear, the destruction of the church and the original records, or where Baptism/Reception was administered validly but not in the Parish church where records are kept.

Governors may request extra supporting evidence when the written documents that are produced do not clarify the fact that a person was baptised or received into the Catholic Church, (i.e. where the name and address of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not.)
ST JOHN’S CHURCH OF ENGLAND (AIRED) PRIMARY SCHOOL

Admission Number 60
We, at St. John’s, as a Church of England School, aim to provide a happy, secure environment which reflects the principles of the Christian faith, thus helping to develop children’s spiritual growth and moral understanding, within a sound educational framework. By doing so we hope to:
Develop children’s self-esteem and self-worth.
Develop each child’s academic potential.
Develop in each child curiosity and an enthusiasm to learn.

We believe in the strength of good home/school partnerships and are aware of the need to be sensitive to our community with its rich cultural diversity.

Over-subscription Criteria
The school does not operate on a ‘catchment area’ basis.

Children with a Statement of Special Educational Need or with an Education, Health and Care (EHC) plan naming St John’s CE (Aided) Primary School will always be offered places. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

1. Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after, they became subject to an adoption, child arrangement or special guardianship order.

The following criteria (2-5) will then apply, however priority within each criterion will be given to children, or parents with whom the child resides, with very exceptional medical or social reasons. When applying for priority, supporting evidence must be included with the application, from an independent professional person who is aware of the situation and supports your reasons for preferring St John’s CE (Aided) Primary School. This supporting evidence must clearly demonstrate why the school is the most suitable and must illustrate the difficulties that would be caused if your child had to attend another school. The person supplying the evidence should be a doctor, heath visitor, social worker, etc. who is aware of your child’s or your own case. The school reserves the right to ask for further evidence or clarification where necessary and may seek the advice of appropriate educational professionals where necessary.

2. A child who normally lives in the same family home as his or her sibling (see sibling definition above), if that sibling is attending St John’s Primary School (attendance at St John’s Nursery does not qualify older siblings entry into school) at the time of the application and is expected still to be in attendance at the time of admission.

3. A child, one of whose parents/carers regularly worships at St John’s and St Stephen’s Church, Reading or Wycliffe Baptist Church, Kings Road, Reading. This will need to be supported by a pre-printed form stating church attendance, obtainable from the school and which will need to be returned to the school, after signature by the Vicar or Pastor. Regular worship is defined as ‘on average attending St John’s Church or Wycliffe Baptist Church on at least one occasion in each of the calendar months in the previous year preceding the application date’.

4. A child, one of whose parents/carers, regularly worships at a Christian church other than St John’s & St Stephen’s or Wycliffe Baptist Church that is a member of ‘Churches Together in Britain and Ireland’. This will need to be supported by a pre-printed form, obtainable from the school, from the appropriate Minister of Religion. (This form must be returned to the school with an official letterhead from the church concerned, clarifying both the church and the clergy who
has signed the form). Regular Worship is defined as ‘on average attending the named church on at least one occasion in each of the calendar months in the previous year preceding the application date’. Aggregate attendance from parents, for those families who have moved areas or churches, will be accepted, with dates clearly detailed from all churches that the applicant’s parents have attended. All churches attended must be members of ‘Churches Together in Britain and Ireland’.

5. All other children

NB Attendance at St John’s Nursery does not, therefore, guarantee a place at St John’s Primary School, as the Nursery Admissions are subject to a separate Admissions Policy.

Tie Breaker
The proximity of the child’s home to the school as measured as a straight line distance, using the data point of the home and the school. This is measured by the computerised address system of Reading Borough Council. Those living nearer will be accorded the higher priority. In the event that there is more than one identical distance measurement and there is only room to offer one place, random allocation in the presence of an independent person will take place by Reading Borough Council.

Multiple Births
In the case of multiple births i.e. twins, but also including siblings born within the same academic year, where one of the children is accepted, but the other would cause the school to exceed numbers, all children in the same household would be offered a school place.

Parent/carers may register their interest in the school for their child from the age of 3 years. They are welcome to visit the school during this period by prior arrangement. However, by registering their interest, this does not guarantee a child a place within the school. Parents must submit a formal application to their home Local Authority as set out by that Local Authority Co-ordinated Admissions Timetable. Each year, the Governors will decide who to admit to the Reception Class for the following academic year. This will be done according to the admission criteria of the school and following this, parent/carers will be notified.

Notes:
Definition of parent: Where admission arrangements refer to regular worship at church, it is sufficient for just one parent to attend. ‘Family members’ include only parents, as defined below and siblings. “Parent” is defined in law (The Education Act 1996) as either:

- any person who has ‘parental responsibility’ (defined in the Children Act 1989) for the child or young person; or
- any person who has care of the child or young person.

If you are in any doubt, please contact the school for advice.

Definition of sibling: Sibling refers to brother or sister, half brother or sister, adopted brother or sister, foster brother or sister, step brother or sister, or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

Definition of home address: The Home address is taken to be the address at the closing date for applications in the normal admissions round. By home address, we mean the child’s normal home address. This must be where the parent or legal carer of the child lives with the child unless it is proved that the child is resident elsewhere with someone else who has legal care and control of the child. The address should be a residential property that is owned, leased or rented by the child’s parent/s or person with legal care and control of the child. To avoid doubt, where a child lives with parents with shared responsibility, each for part of a week or month, the address where the child lives will be determined having regard to a joint declaration from the parents stating the exact pattern of residence. If
the residence is not split equally, then the relevant address used will be that at which we are satisfied that the child spends the majority of the school week. Where there is an equal split or there is any doubt about residence, we will make the judgment about which address to use for the purpose of determining whether or not to offer a place. We will take into account, for example, the following:

- any legal documentation confirming residence
- the pattern of the residence
- the period of time over which the current arrangement has been in place
- confirmation from any previous school of the contact details and home address supplied to it by the parents
- where the child is registered with his/her GP
- any other evidence the parents may supply to verify the position.

We would not accept an address where the one given is that of a second home with the main home being elsewhere. If there are two or more homes, we will check which is the main home, and may refuse to base an allocation of a place on an address which might be considered only temporary. Nor would we accept an address where the child was resident other than with a parent or carer unless this was part of a fostering or formal care arrangement. We would not normally accept an address where only part of a family had moved, unless connected with a divorce or permanent separation arrangement, in which case we would require proof.

**Definition of Looked After Child:**
By a “looked-after child” we mean one in the care of a local authority or being provided with accommodation by a local authority in the exercise of its social services function. An adoption order is one made under the Adoption Act 1976 (Section 12) or the Adoption and Children Act 2002 (Section 46). A ‘child arrangements order’ is one appointing one or more individuals to be a child’s special guardian/s (Children Act 1989, Section 14A). Applications under this criterion must be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order).”

Please note that the criterion can only apply to children adopted, subject to a child arrangements or special guardianship order immediately after being looked after. Children adopted from overseas or following private fostering arrangements do not qualify as they were not in the care of a local authority immediately prior to being adopted, etc. The only way in which such children could be given priority is under a medical/social criterion and, even then, they might not qualify.

**Admissions outside of the normal age group** - Requests from parents for places outside a normal age group will be considered carefully e.g. for those who have missed education due to ill health. Each case will be considered on its own merits and circumstances. However, such admissions will not normally be agreed without a consensus that to do so would be in the pupil's interests. It is recommended that parents discuss their wishes with the head teacher in advance of applying for a place. The governors may ask relevant professionals for their opinion on the case. It should be noted that if a place in the requested age group is refused, but one in the normal age group is offered then there is no right of appeal. We will not accept applications from students born after 1st September 2012.

**In Year Admissions:**
Requests for places in year groups 1 - 6 must be made to the School, as its own admission authority. The Admission Committee of the Governing Body of St John’s will allocate a
place, as and when a place becomes available. Applications for Year groups 1 – 6 will be held on file for the entire academic year. New forms will be required if a place has not been offered and the applicant requires to remain on the waiting list. A new form is therefore required each and every academic year. Length of time on a waiting list does not qualify for early entry. This Admissions Policy will be followed in all respects when considering such applications. Information on how to apply is on the first page of this policy under 'Applications'.

In Year Fair Access: The Governing Body of St John's CE (Aided) Primary School will participate in the Local Authority's 'In Year Fair Access' protocol for vulnerable/hard to place children.

Unsuccessful Applications: If the Governors are unable to offer a child a place at St John's in Reception (FS2), the parent/carers will be offered the opportunity for the school to retain their child's name on a Waiting List (also referred to as a register of Interest) until the end of the academic year. If the Governors are unable to offer a child a place at St John's in years 1 – 6, the child's name will remain on the Register of Interest until the end of the academic year in which they applied. The order of priority on Waiting List is the same as the list of criteria for over-subscription. No account is taken of the length of time on the Waiting List. A child's name on the Waiting List does not guarantee a place in the School.

Appeals: There are established arrangements for appeals against non-admission. Details are available from the school. It should be noted that, in the event of an unsuccessful appeal, the school does not consider any further applications in the same school year (1 September - 31 August), except if there is a major change in circumstances, e.g. change of address.

ST MARTIN'S CATHOLIC PRIMARY SCHOOL

Admission Number is 30

The ethos of this school is Catholic. The school was founded by the Catholic Church to provide education for children of Catholic families; The school is conducted by its governing body as part of the Catholic Church in accordance with its Trust Deed and Instrument of Government and seeks at all times to be a witness to Jesus Christ. We ask all parents applying for a place here to respect this ethos and its importance to the school community. This does not affect the right of parents who are not of the faith of this school to apply for and be considered for a place here.

If the number of applications exceeds the admission number, the governors will give priority to applications in accordance with the criteria listed, provided that the governors are made aware of that application before decisions on admissions are made (see Note 1 below). A map of the parish boundary is available to view at the school and parish or by post on request.

1. Baptised Catholic children (see Note 2 below) who are in the care of a local authority (looked-after children) or provided with accommodation by them (e.g. children with foster parents) (Section 22 of the Children Act 1989) and children who were previously looked after but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order);
2. Baptised Catholic children living within the Parish of St Michael's, Sonning Common who have a brother or sister (see Note 3 below) in the school at the time of admission;
3. Baptised Catholic children living within the Parish of St Michael's, Sonning Common;
4. Other Baptised Catholic children who have a brother or sister in the school at the time of admission;
5. Other Baptised Catholic children;
6. Non-Catholic children who are in the care of a local authority (looked-after children) or provided with accommodation by them (e.g., children with foster parents) (Section 22 of the Children Act 1989) and children who were previously looked after but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order);
7. Non-Catholic children who have a brother or sister in the school at the time of admission;

**Tie-Braker**
If there is over-subscription within the category, the Governors will give priority to children living closest to the school determined by shortest distance. Distances are calculated on the basis of a straight-line measurement between the applicant’s home address and the school. The local authority uses a computerised system, which measures all distances in miles. Ordnance Survey supplies the co-ordinates that are used to plot the data points within this system (See Note 4).

**Multiple births or children living at the same address/distance**
In a very small number of cases it may not be able to decide between the applicants of those pupils who are qualifiers for a place, when applying the published admission criteria. For example, this may occur when children in the same year group live at the same address, or if the distance between the home and school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both or all of the children would cause the legal limit to be exceeded, the local authority will randomly select the child to be offered the final place. As an exception, the governing body will give careful consideration to offering places above the Admission Number to applications from children whose twin or sibling from a multiple birth is admitted even when there are no other vacant places.

**Note 1**
Children with a Statement of Special Educational Needs or Education Health and Care Plan that names the school must be admitted. This will reduce the number of places available to other applicants.

**Note 2**
In all categories, for a child to be considered as a Catholic, evidence of Catholic Baptism or Reception into the Church will be required. For a definition of a Baptised Catholic see the Appendix. Those who face difficulties in producing written evidence of Baptism/Reception should contact their Parish Priest. Parents making an application for a Catholic child should also complete the school’s supplementary information form (SIF). Failure to complete the SIF/provide evidence of Catholic Baptism/Reception may affect the criterion the child’s name is placed in.

**Note 3**
The definition of a brother or sister is:
- A brother or sister sharing the same parents;
- Half-brother or half-sister, where two children share one common parent;
- Step-brother or step-sister, where two children are related by a parent’s marriage;
- Adopted or fostered children.
The children must be living permanently in the same household.

**Note 4**
The home address of a pupil is considered to be the permanent residence of a child. The address must be the child’s only or main residence for the majority of the school week. Documentary evidence may be required. Where care is split equally between mother and father, parents must name which address is to be used for the purpose of allocating a school place.

**Nursery**
Parents must apply on the LA form for a place in Reception Class. Attendance at a
nursery does not automatically guarantee that a place will be offered in main school.

**Appeals**
Parents who wish to appeal against the decision of the Governors to refuse their child a place in the school may apply in writing to Chair of Governors. An independent panel will hear appeals.

**Repeat Applications**
Any parent can apply for a place for their child at any time outside the admissions round. Parents do not have the right to a second appeal in respect of the same school for the same academic year unless, in exceptional circumstances, the admission authority has accepted a second application from the appellant because of a significant and material change in the circumstances of the parent, child or school but still refused admission.

**Waiting Lists**
Waiting lists for admission will remain open until the end of December 2016 and will then be discarded. Parents may apply for their child's name to be reinstated until the end of the academic year when the list will be discarded. The waiting list will be kept by the governing body in admission criteria order. This means that a child's position on the waiting list could go up or down. Inclusion of a child's name on the waiting list does not mean that a place will eventually become available.

Children who are the subject of a direction by a local authority to admit or who are allocated to a school in accordance with a Fair Access Protocol take precedence over those on a waiting list.

**In-year applications**
An application should be made to the local authority who will need to consult with the governors.

**DEFINITION OF A “BAPTISED CATHOLIC”**
A “Baptised Catholic” is one who:
- Has been baptised into full communion (Cf. Catechism of the Catholic Church, 837) with the Catholic Church by the Rites of Baptism of one of the various ritual Churches in communion with the See of Rome (i.e. Latin Rite, Byzantine Rite, Coptic, Syriac, etc, Cf. Catechism of the Catholic Church, 1203). Written evidence* of this baptism can be obtained by recourse to the Baptismal Registers of the church in which the baptism took place (Cf. Code of Canon Law, 877 & 878);
- Has been validly baptised in a separated ecclesial community and subsequently received into full communion with the Catholic Church by the Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases, a sub-section of the Baptismal Registers of the church in which the Rite of Reception took place (Cf. Rite of Christian Initiation, 399).

**WRITTEN EVIDENCE OF BAPTISM**
The Governing bodies of Catholic schools will require written evidence in the form of a Certificate of Baptism or Certificate of Reception before applications for school places can be considered for categories of “Baptised Catholics”. A Certificate of Baptism or Reception is to include: the full name, date of birth, date of baptism or reception, and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of Baptism or Reception. Those who would have difficulty obtaining written evidence of Baptism/Reception for a good reason, may still be considered as baptised Catholics but only after they have been referred to their parish priest who, after consulting the Vicar General, will decide how the question of Baptism/Reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

Those who would be considered to have good reason for not obtaining written
over-Subscription criteria

Children with a statement of Special Educational Needs or an Education, Health and Care plan naming St Mary and All Saints School will always be offered places. If there is a greater demand for admission than there are places available then the following criteria will apply in the order set out below:

1. Looked-after children and children who were previously looked-after, but ceased to be so because they became subject to an adoption order, a child arrangements order or special guardianship order immediately after being looked-after. (See below for definitions of looked-after child, adoption order, child arrangements order and special guardianship order.) Applications under this criterion must be accompanied by evidence to show that the children are looked-after or were previously looked-after (e.g. a copy of the relevant order).

2. Children who have, or one or both of whose parents have, exceptional medical or social needs that make it essential that the children attend St Mary and All Saints School rather than any other. These needs must be fully supported by written evidence from the appropriate professional person involved with the family. (See note below).

3A. Children, at least one of whose parents can demonstrate that he/she has attended a set act of worship at All Saints Church or St Mark’s Church on at least one occasion each calendar month in the 12 months immediately preceding the date of the application.

3B. Children, at least one of whose parents can demonstrate that he/she has attended a set act of worship at any other Church of England church or a set act of worship at any other Christian church under the umbrella of Churches Together in Great Britain and Ireland or subscribe to The Evangelical Alliance Statement of Faith, on at least one occasion in each calendar month in the 12 months immediately preceding the date of the application and who live in the designated area or the Parish of St Mark & All Saints.

3C. Children, at least one of whose parents can demonstrate that he/she has attended a set act of worship at any Church of England church or a set act of worship at any other Christian Church.
under the umbrella of Churches Together in Great Britain and Ireland or which subscribes to The Evangelical Alliance Statement of Faith, or the All Nations Church (Berkeley Avenue), Coley Baptist Church or Carey Baptist Church on at least one occasion in each calendar month in the 12 months prior to the date of the application and who live outside the school’s designated area or outside the Parish of St Mark & All Saints.

4 - Children living in the designated area agreed with Reading Borough Council who have a sibling or siblings on the roll of the school at the time of the application or whose parent has accepted an offer of a place at the school and who is or are expected to be still in attendance at the time of entry to the school.

5 - Children who live in the designated area.

6 - Children who do not live in the designated area but have a sibling or siblings who are in attendance at St Mary & All Saints Primary School at the time of application and who are expected to be still in attendance at the school in September 2016.

7 - Children who live outside the designated area and who do not meet any of the criteria set out above.

Applicants under Criteria 3A, 3B and 3C are also requested to complete the school’s Supplementary Information form. Although this is not compulsory, failure to do so may affect the application if the school is oversubscribed. This form should be returned to the school.

Parents should note that admission to the Nursery class does not guarantee a place in the main school.

Tie Breaker
In any case where two or more children rank equally under any of the criteria above and there is only one place available, the tie breaker is distance measured in a straight line between the school and the child’s home (see Measuring Distance). In the event that two distance measurements are identical, the school will use random allocation to decide which child will be offered the place. The process will be conducted in the presence of a person independent of the school.

Church Attendance
Where it is necessary to take into account church attendance at more than one church a supplementary form must be completed for each church.

Waiting List
The school maintains a waiting list until the end of Term 1 for those children who are not offered a place in the normal admissions round (including those unsuccessful on appeal). The order of priority on the waiting list is the same as the criteria for over subscription. No account is taken of the length of time on the waiting list.

Multiple Births
The governors will admit all siblings from a multiple birth where one such sibling is the 60th child to be admitted into the class. In that case the infant class legal maximum of 60 pupils with a single teacher may be exceeded by the number of the siblings of the 60th child. In all other year groups where there is a place available the agreed number of 60 for each year group may be exceeded by the number of siblings of the 60th child.

Designated Area
West Green Court
Rembrandt Way (all residences in this estate have a Rembrandt Way address)
Swallows Croft
Carsdale Close
Shaw Road (flats only)
Saint Saviours Road
Tintern Crescent
Wensley Road
North Lodge Mews
Lesford Road
Heron Way
Holybrook Road
Arbour Close
Trelleck Road
Tyberton Close
Parents are advised to check with the school whether their house is in the designated area rather than rely on estate agents and developers. Parents are advised to be particularly cautious when considering purchasing property on a new development site.

It should be noted that the designated area of this school is not the same as the Parish boundary. Plans of the Parish boundary and of the designated area are attached to this policy and are displayed on the school’s website.

**Looked-after Children, Adoption, Child Arrangements and Special Guardianship Orders**

A “looked-after child” is a child in the care of a Local Authority or a child who is being provided with accommodation by a Local Authority in the exercise of its social services function. An adoption order is an order made under the Adoption Act 1976 (section 12) or the Adoption and Children Act 2002 (section 46.) A child arrangements order is an order settling the arrangements to be made as to the person with whom the child is to live (Children Act 1989, section 8 as amended by the Children and Families Act 2014, section 14) A special guardianship order is an order appointing one or more individual to be a child’s special guardian/s (Children Act 1989, section 14A)

**Measuring Distance**

Where a child lives outside or inside the designated area (or the Parish of St Mark & All Saints) and there are more applicants than places, places will be allocated on the basis of children who live nearest to the school. Measurements will be taken as a straight line between the Ordnance Survey data points of the home address and the school using Reading Borough Council digital mapping software.

**Exceptional Medical or Social Needs**

When applying under Criterion 2 the application must be fully supported by written evidence from the appropriate independent professional person involved with the family (e.g. doctor, social worker, early years professional or family support worker) and should state why the school is considered the most suitable and the difficulties which would be caused if the child had to attend another school. The evidence must be available by the closing date for the return of the application form and with the form.

**Admissions outside of the Normal Age Group**

Requests from parents for places outside a normal age group will be considered carefully e.g. for those who have missed education due to ill health. It is not the Governors’ policy to admit children whose fifth birthday falls after 31 August 2012. Each case will be considered on its own merits and circumstances. However such admissions will not normally be agreed without a consensus that to do so would be in the pupil’s best interests. Parents will need to provide strong supporting reasons for seeking a place outside the normal age group and should discuss the application with the Head Teacher as early as possible. If their request is agreed, and this should be clear before the national offer day, their application for the normal age group may be withdrawn before any place is offered and they should reapply in the normal way (no later than 15 January 2017) for a Reception place in September 2017. If their request is refused the parents must decide whether to wait for any offer of a place in September 2016 (subject to the over-subscription criteria below) or to withdraw their application and apply in the second half of the Summer Term 2017 for a Year 1 place in September 2017. Parents should be aware that the Year 1 classes may
have no vacancies as they could be already full with children transferring from the 2016 to 2017 Reception Year classes. It should be noted that if a place in the requested age group is refused but one in the normal age group is offered then there is no right of appeal.

**Admission Appeals**

Parents who are unsuccessful in obtaining a place at St Mary and All Saints School have the right to appeal against the decision to an Independent Appeal Panel and the appeal will be considered according to the School Admissions Appeals Code. How to appeal will be explained to the parents in the home LA letter, which informs them it is not possible to offer a place. They will also be informed why it was not possible to offer a place. The Appeal Panel has the power to make a decision to admit the child. That decision is legally binding upon the school. Details of how to appeal can be obtained from the school office or Reading Borough Council Office.

**Repeat Applications**

It is not the policy of the Governing Body to consider repeat applications in the same academic year unless there is a material change of circumstances.

**Meaning of Parent**

A parent is any person who has parental responsibility (as defined in the Children Act 1989) for the child or any person who has the care of the child.

**Siblings**

Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

**Home Address**

Home address means the child's normal home address and is the child's permanent address at the time of the application. This is regarded as being where the child spends the majority of the school week from Sunday night to Thursday night. In cases where a child has a split residence arrangement between the homes of two parents, the home address will be where the child sleeps for the majority of the nights between Sunday and Thursday. The Governors reserve the right to verify the address.

**Special Educational Needs and Disability**

The Governing Body and the Head Teacher are aware of the Special Educational Needs - Code of Practice at paragraph 8.65 which states that denominational considerations cannot override the requirements of S.316 of the Education Act 1996.

The Governing Body and the Head Teacher will ensure that they comply with their duties in relation to the admission of disabled children in accordance with the Special Educational Needs and Disability Act 2001 which came into effect on 1 September 2002.

**In Year Admissions**

Admission to the school during the school year depends upon whether or not there is a place available. All year groups have 60 places. Applications must be made directly to the school. In the event that there are more applications than places available applicants will be offered places in accordance with the over subscription criteria.

In-year admissions or admissions to classes other than Reception will only be considered by the Governing Body up to a term in advance of the desired date of entry. If parents are moving into the designated area or the parish the school will ask for documentary evidence of the proposed move before considering the application. A solicitor’s letter confirming exchange of contracts, a rental agreement of at least 6 months or written confirmation from Reading Borough Council of the allocation of a house or flat will be required.
THE HEIGHTS PRIMARY SCHOOL

Admission Number 50
50 Year 1; 50 Year 2; 25 Year 3
The School is currently in temporary accommodation.

The school is currently on a temporary site on Gosbrook Road before moving to its permanent location in Caversham Heights.

The Heights has a vision to ensure all children ASPIRE: Achieve Success while Providing Individual Responsibility and Excellence.

Over-Subscription Criteria
If there are more applications than places available priority for places will be given according to the following over-subscription criteria.

Please note that children with a statement of special educational needs or Education Health Care Plan that name The Heights Primary as a preference will be allocated a place above all other applicants.

1) Looked after Children in the care of a Local Authority or Children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order) immediately after they had been looked after. Provided appropriate evidence is submitted – Please see Note 1.

2) Children who have strong medical or social grounds for admission. Please see Note 2.

3) Children whose permanent home address is in the catchment area of the school and have a sibling who is expected to be attending the school when the child starts school.

4) Children who have a sibling who was attending the school on 3rd October 2014 (the first national school census day for 2014/2015) and have a sibling (not necessarily the same sibling) who is expected to be attending the school when the child starts school. Please see Note 3.

5) Children whose permanent home address is in the catchment area of the school.

6) Children whose permanent home address is not in the catchment area of the school but have a sibling who is expected to be attending the school when the child starts school.

7) Other children.

Note 1 – Category 1 – Looked After and Previously Looked After Children
Confirmation by the local authority that last looked after the child that the child was looked after immediately prior to the issuing of one of the following orders:
• Adoption order issued after December 2005 in England and Wales only
• Child arrangement order issued after December 2005 in England and Wales only
• Special guardianship order issued after December 2005 in England and Wales only
• Children who have left care under Scottish or Northern Ireland legislation will not be included.

Note 2 – Category 2 – Medical / Social Reasons
Children with a chronic medical condition or strong social grounds in the family will be considered in this category provided a written request from a professional (i.e. Educational Psychologist, Social worker or Doctor) supporting the child or family is submitted. The request must state that The Heights is the only school for the child because of the medical or social reasons of the child or family and that no other school can meet their needs. It is not enough for the professional to report what the parent/carer told them. No individual officer will take responsibility for determining whether a case is ranked in this category. A panel of officers will make the final decision.

Note 3 – Category 4 – Siblings of founder pupils
Please mention this category on your application form if you feel that it applies to your child.
Definitions

Catchment Area and Data Point
The catchment area is shown on the attached map. For allocation purposes a data point within the catchment area is used when determining distance from a child’s home address. The data point is based on the geographical centre of the catchment area weighted according to the positive responses given in the demand survey used to support the bid for the school (as recorded on 16th June 2013). This has been defined as the junction of Woodford Close and Wincroft Road. The data point for the centre of this junction is the Ordnance Survey point of Eastings 470241, Northings 176026.

Tiebreaker
If it is not possible to offer a place to all children in a particular category, places will be allocated to those living nearest to the data point of the area, as defined in the above Catchment Area section. The distance is measured as a straight line between the Ordnance Survey data point for the child’s home address and the identified data point above. In the rare event that it is not possible to decide between the applications of those pupils who have the same distance measurement then the place will be offered using random allocation.

Parent/Carer
A parent/carer is any person who has parental responsibility or care of the child. Parental responsibility for a child is set out in the Children Act 1989.

Home address
This is the permanent address of the parent/carer and their child. That is taken to be the address of the parent/carer who receives child benefit for the child and must be the address where the child spends the majority of their school week, in cases where the child lives at a different address for some days of the week. In the case where a child lives at more than one address and spends equal time at each, the home address will be counted as that which the child is registered with their GP. Temporary addresses cannot be used to obtain a school place whilst retaining a previous permanent home within Reading unless evidence is produced to show that this address is no longer available to show the family i.e. the property has been rented out. Where an application has been submitted which shows a new temporary address evidence of a rental agreement of at least a year that goes beyond 1 September 2016 will have to be submitted. Where a family claims or it is evident that a child is resident at more than one address, justification and evidence of the family’s circumstances (e.g. legal separation) will be required. The governors reserve the right to seek additional evidence of proof of address. The home address is taken to be the address on the 16 April 2016 and any change of address after submitting the application must be notified to the Admissions Team at Reading Borough Council and the application will be reviewed using the new address. Any place offered based on misleading information with the intention of deception or fraud concerning a permanent home address will have the place withdrawn.

Siblings
Siblings are older siblings for purposes of admission criteria during the routine admission rounds. Siblings are children who have either the same mother or father, or they are children who live together in a family unit and with their parent/carer(s). Siblings include adopted or foster brothers or sisters. Siblings must live at the same permanent home address as each other. If they do not live at the same address, then they are not treated as siblings.

Multiple births (twins, triplets etc) and siblings with a different date of birth in the same year group
Places are offered according to the oversubscription criteria. In the event that this would result in splitting up children each case will be considered and in most cases the other child/children will be offered a place provided the admission will not prejudice the provision of efficient education and efficient use of resources e.g. if the application of this resulted in a class of more than 30 children with one teacher.
**Waiting Lists**

After 18 April 2016 a child’s position on the waiting list is determined according to the over-subscription criteria and will be re-ranked when new children are added to the list as a result of late applications or change of preference. When a place becomes available this will be offered to the next child on the waiting list. After the 1 September 2016 children identified for placement as part of Reading Borough Council’s Fair Access Protocol can be placed above those on the waiting list. Positions on the waiting lists may go up or down due to pupil withdrawals, new or revised applications. The waiting list will be kept open until end of July 2017.

**Applications outside of the typical age range**

Applications will be considered for children whose fifth birthday falls between 1st September 2016 and 31st August 2017. Parents/carers of children outside the above age range, who wish their child to be considered for admission, must submit an application providing information to support their request. Their request will be considered by the Governing Body and Head Teacher. The request will only be granted in exceptional circumstances which are in the best interests of the child. This would normally be children who have developmental delays due to premature birth, illness or other difficulties. The application must be supported by at least one educational professional (e.g. Educational Psychologist/pre-school specialist support teacher) and professional reports for medical or psychological needs. Parents will be informed by their home LA on 16 April 2016 if a place can be offered at The Heights Primary School.

**Admissions Appeal**

Parents who are unsuccessful in obtaining a place have the right to appeal against the decision to an Independent Appeal Panel and the appeal will be considered according to the School Admissions Appeals Code. Appeals should be made within 20 days from the date of notification that their application was unsuccessful.
**THE PALMER ACADEMY**

The Palmer Academy is an academy and part of the in the REAch2Thames Valley Academy Trust family.

**Admission Number: 60**

Oversubscription Criteria
The oversubscription criteria take no account of the parents'/carers' order of preference and applications for each school named by the parents/carers will be ranked according to the criteria set out below:

**Special Educational Needs**
Children who have a statement of Special Educational Needs or EHC Plan are placed in schools through the arrangements set out in the SEN Code of Practice and not through any admission criteria. Governing bodies are required by section 324 of the Education Act 1996 to admit a child with a statement/EHC Plan that names that particular school. Parents of children with statements/EHC Plans should contact their child’s casework officer for further information. Children who have a statement naming a school will be allocated a place even if that school is full. If the number of applicants without statements of educational needs/EHC Plans naming the school is higher than the number of places available, the following rules are applied in the order of priority set out below to decide who will be offered a place.

**Note 1 – Category 1 – Looked After Children and Previously Looked After Children**

A ‘looked after child’ is a child who is a) in the care of a local authority, or b) being provided with accommodation by a local authority in the exercise of their social services functions as defined in Section 22(l) of the Children Act 1989 at the time of making the application for a school place. A previously ‘looked after’ child is a child who was looked after, but has been adopted or became subject to a child arrangement order or special guardianship order immediately following having been ‘looked after’.

These are children adopted under the Adoption Act 1976 (Section 12) and children adopted under the Adoption and Children’s Act 2002 (Section 46). The Children and Families Act 2014 amended the Children Act 1989 and replaces residence orders with child arrangement orders.
Confirmation from the Local Authority that the child is in care or was in care from the Local Authority that last looked after the child must be submitted to the School Admission Team.

**Note 2 – Category 2 Medical/ Social Reasons**
Children with a chronic medical condition or strong social grounds in the family will be considered in this category provided a written request from a professional (i.e. Educational Psychologist, Social worker, Doctor) supporting the child or family is submitted. The request must state that the named school is the only school for the child because of the medical or social reasons of the child or family and that no other school can meet their needs. It is not enough for the professional to report what the parent/carer told them. No individual officer will take responsibility for determining whether a case is ranked category. A panel of officers will make the final decision.

**Note 3 – Category 3 - Siblings**
Children whose home address is in the former catchment area of a school and have a sibling at the school and that sibling was admitted to the school from the same address will be treated as category 3 of the over-subscription.

**Note 4 – Category 3 - Siblings**
On occasions, where parents/carers have requested places at their catchment area school for their child it has not been possible to offer a place because the school was over-subscribed and the child was admitted to a lower preference school, or allocated a place by the authority at an alternative school. Where this has happened applications for younger siblings will be treated as catchment area and considered as category 3. This includes children admitted to a bulge class. Parents/carers are advised to inform the Admission Team at the time of application if they consider this exemption applies.

**Note 5 – Category 5**
This category covers siblings of children attending a school that is not the catchment area school for the home address. The older sibling was either admitted to school from the current address as the school parents had chosen or the family have moved out of the catchment area after the older child was admitted.

**Other information**
The Palmer Academy follows the same policy as Reading Borough Council for community schools for definitions, waiting lists and other information. See pages 20 and 22.

This Academy does not use Early Years Pupil Premium as a tie-breaker within an over subscription category. The tie-breaker used by The Palmer Academy is the straight line distance to the school as determined by Reading Borough Council’s digital mapping software.
**EARLY YEARS EDUCATION**  
**(FOUNDATION STAGE)**

Where can early years education be provided?

Early years education can be provided in any of the following settings:
- Nursery schools or classes attached to schools
- Reception classes in Local Authority infant or primary schools
- Registered pre-schools and playgroups
- Registered privately run day nurseries
- Independent schools
- Accredited childminders in a registered network

You will need to check whether your local provider is registered with the Reading Early Years and Extended School Service if you wish to claim the free early years education entitlement.

What is the Free Early Years Entitlement?

All children are eligible to claim a free part-time early years place starting from the term following their third birthday. Eligible children are entitled to claim up to 15 hours of free provision a week for a maximum of 38 weeks a year. The Early Years Entitlement may not cover all your childcare costs and some early years providers will charge you for additional services or time outside of the free entitlement.

You can obtain a full list of registered providers, information on the free Early Years Entitlement funding and a copy of the booklet ‘Early Years Education – A Guide for Parents’ through the Early Years Education Helpline:

**Early Years Education Helpline:**  
(0118) 937 2560

Do maintained nursery schools and classes have designated areas?

Nursery admissions policies are intended to ensure that opportunities are made available to the widest possible number of children. There are areas that they serve, however, and details are available from the individual schools. Nursery classes generally serve a wider area than the school serves for statutory aged pupils because not all schools have a nursery.

What is the normal age of admission to nursery schools and classes?

The minimum age for admission is three years in most areas. The term following a child’s third birthday (September, January, April). The headteacher of the school concerned will tell you what the likely date of admission for your child will be.

Further information about Early Years provision can be found on [www.reading.gov.uk/residents/childrenandfamilies/childcare](http://www.reading.gov.uk/residents/childrenandfamilies/childcare) or by visiting the Sure Start, Early Years and Childcare Partnership website on [www.readingchildren.org.uk](http://www.readingchildren.org.uk)

My child already attends the Nursery class at a school. Will they automatically be admitted to the reception class?

No. If your child has a place in a nursery class of a school, they will not necessarily remain at the same school when they reach school age. Schools are not permitted to give priority to nursery class pupils who hope to attend that school at a later date. You will need to apply for a school place on a Reading Borough Council application form.

Can I defer my child’s admission to school and remain in an Early Years setting?

Your child may remain in an Early Years setting until they reach statutory school age (see page 1). Please check this with the nursery as this will need to be agreed.

If you choose to defer admission to place a reception class, then your child can receive up to 570 hours of free nursery education per school year (38 weeks) in private, voluntary and independent settings or in a nursery class attached to a primary school. This is a part-time place only.
The list of schools on pages 35 - 42 of this guide will tell you which schools have a nursery class and how big that class is. The number of places available each term varies according to the number of vacancies.

Applications for admission

Parents seeking a place in a nursery class should complete the standard Reading Borough Council application form available from the school.

Parents/carers may apply for a place in a Nursery Class at any time and individual schools will advise parents on their procedures but places will not be allocated by length of time on the list. Places will be offered according to the published admission criteria.

Schools will follow the following timetable.

Applications should be received not later than:

For the Autumn Term 2016
Friday 13 May 2016

For the Spring Term 2017
Friday 14 October 2016

For the Summer Term 2017
Friday 3 February 2017

Parents/carers will be notified of the allocation of a place by:

For the Autumn Term 2016
Monday 6 June 2016

For the Spring Term 2017
Monday 7 November 2016

For the Summer Term 2017
Monday 5 March 2017

Late Applications

Late applications will be considered after all those received on time have been dealt with, unless a parent/carer can demonstrate good reason why their application was not submitted on time, e.g. when a single parent has been ill or a family has just moved into the area or returned from abroad.

Over-Subscription Criteria

When the number of applications for admission for each term exceeds the number of places available the following criteria will apply in order –

1. Looked after Children in the care of a Local Authority or Children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order) immediately after they had been looked after. Provided appropriate evidence is submitted.

2. Children with exceptional medical, educational or social needs supported by written evidence from an appropriate professional

3. Children, starting with the oldest, whose home address is within the designated area of the nursery class where one exists

4. Children who have a sibling(s) who will be in attendance in the nursery/school at the time of admission.

5. Oldest child by date of birth

NB. In any case where two or more children rank equally under any of the above criteria and there is only one place available, the tiebreaker is the oldest child by date of birth.

Children with a statement of special educational needs or EHC Plan that names the school will be allocated a place above all other applicants.
Parents will be informed in writing if it is not possible to offer a place in the nursery class.

**Deferring the Place**

If parents/carers do not wish to take up the place offered for that term they cannot hold that place for their child until a later term. They will need to re-apply for a place.

**Waiting List**

Where it is not possible to offer a child a place they can remain on the waiting list and places will be allocated from that list if places become available during the term. The waiting list must be ranked according to the oversubscription criteria which may change if late applications are added.

Nursery places are also available in nursery classes at primary/infant schools. The list of schools on pages 35 to 42 will tell you which schools have nursery classes.
What if my child has special educational needs?

For pupils with an Education, Health and Care (EHC) Plan, or a Statement of Special Educational Needs (SEN), you should apply for a secondary placement in the normal way, naming your preferred schools. It is expected that the needs of the majority of pupils with an EHC plan or statement will be met in a mainstream school.

If you feel that your child needs to attend a special school or referred unit, this should already have been discussed via the annual review process.

If you need further advice or information, a booklet “A Parents’ Guide to Procedures for Children with Special Educational Needs within the Borough of Reading” is available free on request from the Special Educational Needs Helpline on:

Special Needs Helpline:
(0118) 937 2674

Further information can be found at:
www.reading.gov.uk/localoffer

You may also wish to talk to the Independent Advice Support Service, who can offer support and provide impartial information to help you be fully involved in your child’s education.

Independent Advice Support Service:
(0118) 937 3421

Children’s Centres

A Children’s Centre is a place where families with children under 5 can access a range of services that are local to their community. A Children’s Centre is:

- A warm and welcoming place
- An exciting place that children will enjoy coming to
- A place that helps to find solutions for families and their needs

Children’s centres provide access to:

- Childcare Opportunities for children 0-5 years old
- A wide range of play activities for children
- Parenting and family support
- Information and advice on benefits, work and training
- Easy access to health services for families

The Children’s Centres in Reading are:

- Blagdon Nursery School and Children’s Centre
- Blagrave Children’s Centre
- Caversham Children’s Centre
- Coley Park Children’s Centre
- East Reading Children’s Centre
- The Hamilton Road Children’s Centre
- Katesgrove Children’s Centre
- Norcot Early Years Centre
- North Reading Children’s Centre
- Oxford Road Children’s Centre
- Ranikhet Children’s Centre
- Southcote Children’s Centre
- SureStart Whitley Children’s Centre
FINANCIAL ASSISTANCE AND CHARGING

Reading Borough Council recognises the importance of encouraging sustainable travel to school to improve the safety and health of our children, as well as reducing the levels of traffic on the roads. As a result, we have published a Sustainable Modes of Travel Strategy outlining how we are promoting walking, cycling and the use of public transport to travel to and from school. This document is also supported by individual school travel plans setting out how each school intends to encourage children to travel sustainably.

The Sustainable Modes of Travel Strategy can be found on the following link: http://www.reading.gov.uk/sustainableschooltravel

Will my child be entitled to any assistance with transport?

Some parents/carers may be entitled to help with transport to school. Free home to school transport is based on the distance the pupil has to travel to school, and in some cases the financial circumstances of the parent/carer. It is the Local Authority where a pupil or student lives – the ‘Home LA’ – that is responsible for any financial help with transport, and not the LA where they attend school. This means we can only provide free home to school transport to eligible Reading Borough Council residents. We cannot provide free home to school transport to pupils who attend a Reading Borough Council school, but who live outside the Borough.

For pupils aged below 8 years, transport assistance will only be considered where your child’s home address is further than two miles safe walking distance from the school and meets one of the following criteria:

1. attends the designated area school;
2. attends a school that they were directed to by Reading Borough Council because the designated area school was full;
3. attends the nearest denominational school of the parents/carers’ faith.

When help is given with home to school transport we pay for the transport and give parents/carers a pass for their child to use.

For children over 8 years the safe walking distance is over three miles from the child’s home to the school.

Children aged over eight but under 11, from low income families, may qualify for transport assistance if the home address is more than two miles from their nearest suitable primary school. The government defines children from low incomes families as those who are entitled to free school meals, or those whose families are in receipt of the maximum level of Working Tax Credit.

Some children with statements of special educational need may also be entitled to assistance; again, please contact the Transport Officer for details. Where pupils do qualify for School Transport assistance, it is usually provided in the form of a bus pass. Please note that help with transport costs may not be provided if appropriate provision is available at a nearer school.

For further information regarding the ‘School Transport Service’, please contact:

School Transport Manager: (0118) 937 2542
School Transport Service
Reading Borough Council
Civic Offices
Reading, RG1 2LU
### Charging for school activities
No charge may be made for school activities by Reading Borough Council or the school governors unless it is already provided for in a statement of policy on charging and the remission of charges. Such statements will also usually cover arrangements for the financing of school activities by means of voluntary contributions.

### Help with buying school uniform
Reading Borough Council does not give help with buying school uniforms. Many schools sell uniforms. Both new and nearly new uniforms can often be bought at reasonable prices.

### Free school meals
All schools within the Reading Borough area deal with the administration of Free School Meals for pupils in attendance.

#### Who is eligible?
Families that receive:
- Income Support
- Income-based Jobseekers Allowance
- An income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit (provided you are not entitled to Working Tax Credit) and have an annual income (as assessed by Her Majesty’s Revenue and Customs) that as of 6 April 2010 does not exceed £16,190
- The Guarantee element of State Pension Credit
- Universal Credit

Note: If you are in receipt of Working Tax Credit during the four-week period immediately after your employment ceases, or after you start to work less than 16 hours per week, your child/children are entitled to free school meals.

Children who receive IS or IBJSA in their own right are also entitled to receive free school meals.

It should be noted that children who receive “education suitable for children who have not attained compulsory school age” will still need to satisfy the additional requirement of “receiving education both before and after the lunch period”, before being eligible to receive free school meals.

The responsibility for checking the eligibility rests with the school. Parents will have to prove their eligibility every term by producing the correct documentary evidence to the school.

For further information please contact your child’s school.

Further information and application forms can be obtained from [www.reading.gov.uk/educationandlearning/grantsandfinancialhelp](http://www.reading.gov.uk/educationandlearning/grantsandfinancialhelp)

### Free school milk
If schools participate in Reading Borough Council’s free milk scheme children can receive free milk up to their fifth birthday. Children over five are entitled to free milk where they are in receipt of a free school meal AND a) attend a special school or b) have a supporting medical certificate.

### Availability of help with independent school fees
Reading Borough Council has no schemes to help parents/carers wishing to educate children at independent schools.
