Introduction
To be a Reading private hire driver you need to know Reading better than most people. You have to understand the licence conditions and legislation, so that your passengers get a safe, high quality service.

You are responsible for your own learning. In this pack, we explain everything you need to know for the Reading Knowledge test.

Learning the Reading Knowledge
This guide is here to help you study and learn. Inside you will find:
- a description of the test
- example questions
- information you need to learn, and
- some studying and learning ideas.

PLEASE Do Not Book Your Test Before You Are Ready
Every time a candidate takes the knowledge test, they have to pay the full test fee. Prepare properly and you can avoid retakes and extra fees. When you take the test, be one of the three out of twelve candidates that passes!
What is in the Reading Knowledge Test

The test is in four parts, explained below.
You have 90 minutes to answer the 45 questions.
You CANNOT refer to your own maps, notes or other documents during the Knowledge Test.
There are some example questions on page four.

Organise Your Learning

Plan when you are going to learn; make yourself a timetable and stick to it.

Don’t study for too long without a break

Don’t study one subject for too long at a time - have a break and study something else.

Keep a diary of when you study. You will be able to see when you haven’t done enough... and when you deserve a day off!

Use different ways to learn... try the suggestions in the following pages.

Carry your notes with you so you can get them out and read them at any time.

Get friend to test you, they can give you clues about what you’ve forgotten.

Make up your own multiple-choice questions like our examples on page four. Write down the correct answer and three wrong ones, see if you can get them right a week later!

Do not apply to do the Reading Knowledge test before you are ready: be one of the candidates that passes first time!

You will be ready to take the test when you can:

find every Reading location in the list, and answer any question about:
  o the Highway Code, and
  o the transport of disabled passengers, and
  o Reading’s taxi licence conditions for driver and vehicle.
Learning the Reading Locations

All the locations you have to learn are in the last section of this guide (see page 13). You will need to buy an A-Z street atlas of Reading and practice finding the locations. In the Knowledge Test you will be asked questions on the locations of buildings and which roads meet at major junctions.

Learning Ideas (you may want to make a second copy of the list to write your notes on).

- Find all the locations in the A-Z and make a note of the page number and grid reference. You won’t find them all straight away and will have to do some research:
  - Look in the phonebook, the Yellow pages and the Thompson local directory search the web (try Google & Yell.com)
  - Ask your friends, or go and have a look.
  - Learn small sections of the A-Z atlas at a time
  - Go out and visit the locations - this will help them stick in your mind.
    - Get an all day travel pass and use the bus
    - Cycle or use a moped
    - Drive if you have to BUT it’s cheaper if you don’t
    - Whenever you go out, set off early and visit some locations on the way.
- Use the internet if you have access to a computer. Find the locations on Ordnance Survey or Google maps instead of the A-Z.

Testing What You Have Learnt

Here are some ways to test what you have learnt. Only refer to your notes, if you are stuck and when you mark your work.

Pick locations at random from the list at random and find them in the A-Z atlas.
Pick a group of locations (such as Libraries or Hospitals) and find them all - some of the groups are quite big so split them up.
Pick a page of the map and write done all the locations you can think of. Only refer to your notes when you cannot think of any more. Add the locations you missed and cross out any you have listed by mistake.
Route finding. Pick two locations at random and find the shortest route between them.
If that is too easy, pick ten locations at random and find the shortest route that goes to all of them.
REMEMBER: To pass the test you have to be able to find all the locations without your notes.
Here are some learning ideas. Stick with the ones that work for you OR try them all... it makes it more interesting to have different ways to learn. Don’t make it too difficult... learn small sections at a time.

Learning Ideas

Read and write 1.
- Make notes as you read each section.
- You can use your own words but do not change the meaning.

Read and write 2.
- read a section
- cover it up, and write down what you’ve can remember
- now check if you remembered everything.

Reading out-loud
- Read out-loud when learning a section
- You can do it on your own or to friend or partner who can ask you to explain things.
- record it if you have a phone or MP3 player that you can record on

Testing What You Have Learnt

Here are some ways to test what you have learnt. Only refer to your notes, if you are stuck and when you mark your work.

Testing your self 1.
- Pick a topic, from a document or a contents list
- write down all you can remember
- now check the original and see how you did
- copy out the bits you missed.

Test your self 2.
- Instead of writing down what you know, say it out loud
- record it if you have a phone or MP3 player that you can record on
- check and see how well you did

Get a friend to test you, tell them all you know about a topic or section they can give you clues about what you’ve forgotten.
Part two of the Reading Knowledge test has five (5) multiple-choice questions about disabled passengers and the Safeguarding of Children and Vulnerable Adults. You must get at least four (4) questions right in this section to pass this part of the Knowledge Test.

The Disabled Transport Advisory Committee (DPTAC) and Reading Borough Council have put together this guidance. You need to learn it all.

The information can also be found on their website:
http://dptac.independent.gov.uk/

Introduction
A lot of elderly and disabled people use hackney carriage/private hire vehicles to get around. Hackney carriage/private hire vehicles can be the only way for them to get to a railway station, an airport or a place not on a bus route.

Your behaviour is very important. If you do not help them or treat them properly:
- you will lose some customers, and
- they will lose an important way of getting places.

Ask passengers if they need help because you will not be able to see some disabilities.

Know how to use the equipment in your vehicle. Carrying ramps in some vehicles may be a condition of your licence.

The advice below will help you give a good service and get the best from your vehicle.

Wheelchair Users
If the passenger is a wheelchair user and you drive a wheelchair accessible vehicle you should always:
- pull up as close to the kerb as you can;
- ask if they would like to use the ramps;
- if necessary, tip up the back seat to give more space to get the wheelchair in;
- make sure the passenger travels in the correct position, recommended by the vehicle manufacturer. In a:
  - Fairway or Metrocab this will be facing the back, and
  - converted wheelchair accessible vehicles do what the converter recommends,
  - Any other travelling position is unsafe;
- always make sure that the brakes of the wheelchair are on;
- be polite and ask before touching or moving your customer;
- secure the wheelchair and suggest that the passenger also uses the seat belt provided
  - they may need your help with this
- avoid sudden braking or acceleration;
- lower the back seat, if the passenger would prefer it;
- bring the wheelchair out of the vehicle backwards down the ramp, and
- ask if the passenger would like the wheelchair brakes on once it is unloaded;
- leave the passenger in a safe and convenient place, which lets them move on without help.
Saloon Cars and Wheelchairs
You may still be able to carry wheelchair users if the passenger is able to get in and out.

- Ask the passenger what help they need.
- Listen carefully to what they say and only do what they ask. Be careful loading a wheelchair into the boot.
- Wheelchairs are expensive to repair or replace; without their wheelchair a passenger may be not be able to get around.

Passengers with Walking Difficulties
People that cannot get around very well do not always use a stick or crutches because they are painful to use.

If the passenger appears to have walking difficulties, or is frail or elderly, always:

- offer to fit the additional step if there is one - it makes it easier to get in the taxi.
- ask how close to the kerb they want you to stop. It may be easier to slide out of the seat onto the road-side if the kerb is too high;
- help if you are asked:
  - listen carefully to what they say, or
  - ask what is the best way to assist;
- do not insist on helping if they do not want you to;
- offer the use of the swivel seat (if you have one);
- if you use a swivel seat, lock it back in position once they have got in.

Blind or Partially Sighted Passengers
Always ask a blind or partially sighted passenger how you can help.

Always:

- look out for the "TAXI" sign held out by some blind and partially sighted people;
- when collecting a blind or partially sighted passenger:
  - knock at the door on arrival
  - do not stay in the cab and hoot your horn;
- tell your passenger whether they are entering a saloon car or purpose built cab;
- demonstrate which way the doors open;
- if possible, place the blind person's hand on the open door and indicate the position of the roof;
- make sure they know which way the vehicle is facing;
- make sure they are seated and have secured the seat belt (where applicable).
- they may like help with the belt; ask first;
- tell them if you are taking a different route from that which they might expect, or if there is a hold-up or a diversion;
- tell them the fare;
- count out the change into their hand;
- set them down in a safe place and make sure they know where they are going;
- offer to accompany them to the entrance of the building, if they are going to one;
- when accompanying a blind person offer them your arm; holding it just above your elbow will be easiest for them.
Guide Dogs
- Guide dogs are trained to stay on the floor of a vehicle.
- They will not make a mess in your vehicle.
- You may be breaking your licence conditions if you refuse to carry a guide dog.
  (See section 15 of the licence conditions.)
- There is more room for a guide on the floor in front of a saloon car than in the back.

Passengers Who Are Deaf or Hard of Hearing
If the passenger is deaf or hard of hearing, always:
- Look at them when you are speaking.
- Speak clearly - but don't shout!
- Always have paper and pen with you.
- Write things down if it makes it easier to understand each other.
- Make sure they know you have understood their instructions or know where they want to go.

Maintenance of Vehicles
Keep door handles, locks and hinges well oiled. This makes it easier for them to be opened and closed by disabled or elderly passengers.

Equipment and Converted Vehicles
Know how to use any special equipment. For example:
- know how to use ramps if there are any,
- know how secure and load a wheelchair, and
- how to operate the swivel seat in a Fairway or Metrocab.

Specially converted vehicles hold wheelchairs in different ways. Know what to do in any vehicle you drive.

Taxi and Private Hire - Safeguarding children and vulnerable people

Human Trafficking and Child Sexual Exploitation
Everyone is becoming aware of the well-publicised issues relating to Child Sexual Exploitation and Human Trafficking that have occurred throughout the country. These are abhorrent crimes, and the Licensing Authority has a duty to assist the Taxi and Private Hire Trade and the public in tackling this issue, and to protect those who are vulnerable and / or being exploited. We need the help of taxi and private hire drivers and operators to identify those who commit these crimes, and protect those who most need our help.

Contained within this section you will find information devoted to helping you as a licence holder or applicant to be aware of those who may be vulnerable or being exploited, and questions relating to this subject are within the knowledge Test that all new applicants must undertake as part of the criteria for the grant of a licence.
What You Can Do To Help Those At Risk
By following the Good Safeguarding Practices below you will be helping to protect those who are vulnerable and / or being exploited. We need your help to bring to justice those who commit these crimes.

- Check at the point of booking if there are any vulnerability issues. This will allow you to prepare for the journey in the right way.
- Ask the person booking if an escort for the vulnerable passenger is required and if they are providing one.
- Let your head office know (or keep a record) of the time you picked up the vulnerable passenger, the time and place you dropped them off and whether there was any incident or anything significant on the journey.
- If you refuse to take a passenger inform someone that you can’t take them so they can deal with the person another way (e.g. hospital staff; family; security staff if a club/pub)
- Record incidents and refusals
- Be professional - try not to be over-friendly or talk about personal or intimate issues, don’t exchange personal contact information such as passenger’s telephone numbers or Facebook address.
- Avoid swearing or aggressive behaviour.
- Do not touch passengers.
- Never accept an offer of a sexual favour instead of payment.
- Make sure you are wearing ID, (your licence badge and your company uniform)
- Sit lone passengers in the back unless otherwise agreed.
- Ask or explain to passengers if using a centralised locking system - don’t just put it on without an explanation.
- DON’T ASSUME that your passenger wants help - ALWAYS ASK
- Never follow a passenger into the house unless previously agreed / properly authorised
- ASK before making a journey shorter by going off the main roads/using isolated country roads, explain and give the passenger (or person booking) a choice of route.
- NEVER set off with a passenger without a specific destination address
- NEVER double up on a booking - even if passengers are travelling in a similar direction, they may pose a threat or risk to the other passenger
- If you think the passenger is afraid, offer to ring head office to tell them you have a passenger named XXXX with you and give the address and approximate time of arrival; this reassures the person that they are safe and someone is monitoring the trip.
- As with all professions if you are concerned about another driver’s conduct report your concerns to your manager or the relevant agency.
- Organisations should have a lead member of staff for safeguarding; this person should be able to advise colleagues about how to manage vulnerable passengers and any incidents arising.
- ALWAYS KEEP A RECORD either in your cab or at head office, of ANY incidents or situations you were not happy with - the record should include a description of what happened and what you did to keep yourself and your passenger safe.
Who To Contact

If you think you may be carrying someone who is vulnerable and / or the victim of exploitation:

Phone 999: Call the Police emergency number if you believe that the risk is imminent / assault happened or likely to.

Record and report concerns to the Police 101 and / or the safeguarding services if a child or vulnerable adult is involved. Further information on the different options available to report your concerns can be found on the Thames Valley Police website.

Contact Children’s Multi-Agency Safeguarding Hub Tel: 0118937 3641
9am to 5pm, Monday to Friday (excluding bank holidays).

Outside these hours, contact the Emergency Duty Team on 01344 786543

Phone Crimestoppers - 0800 555 111
### Appendix_B: Key Locations, Streets and Places of Interest

In part two of the Reading Knowledge test, there are four possible answers to each of the 10 questions but only one answer is correct. You have to get at least nine of questions correct to pass this part of the Knowledge Test.

You must:
- know where ALL these locations are
- be able to find them on a map, and
- be able to identify them if marked on a map.

PRIVATE HIRE VEHICLE DRIVER’S LICENCES
&
PENALTY POINTS ENFORCEMENT SYSTEM

Local Government (Miscellaneous Provisions) Act 1976
PART 1 - PENALTY POINTS SYSTEM

1. OPERATION OF PENALTY POINTS SYSTEM

1.1 Without prejudice to any other course of action or remedy available to the Council, in the event of any contravention of any relevant statute, byelaw, regulation or private hire vehicle driver condition, the Council may use this penalty points system as a means of enforcement. Where the system is used, if a breach or contravention occurs, as indicated in these conditions, the penalty points indicated within this document shall be allocated to the licence.

1.2 Where a driver submits a completed application to renew a licence prior to the expiry of an existing licence the Council will normally write to that driver advising that he/she is entitled to continue driving private hire vehicles pending the determination of his/her application. In these circumstances if a driver accumulates sufficient penalty points in order to warrant a licence suspension the entitlement to continue driving will be suspended for the same period of time that a private hire vehicle driver’s licence would have been suspended had one been in force. The suspension of this entitlement to drive shall be notified in writing to the driver by officers.

1.3 Where a driver is sent an entitlement to driver letter, as detailed in 1.2 above, if the a driver accumulates sufficient penalty points in order to warrant a licence revocation, the entitlement to continue driving will be withdrawn and the renewal application refused. The withdrawal of the entitlement to continue driving and the refusal to renew the licence, and the rights of appeal against it, shall be notified in writing to the driver by officers.

1.4 In the event that a driver surrenders his/her private hire vehicle driver’s licence or withdraws his/her application to renew a private hire vehicle driver’s licence or does not apply to renew a licence, any penalty points issued or in process will remain live and will be imposed on any subsequent private hire vehicle driver’s licence issued within 12 months of the issue of any penalty points.

1.5 Penalty points accumulated during a period of entitlement to drive, which do not result in the suspension or revocation of a licence, shall be imposed on any new licence issued within 12 months of the issue of the penalty points.

2. Action where a suspected breach or non compliance occurs

2.1 Where a suspected breach or non compliance with the Local Government (Miscellaneous Provisions) Act 1976, or Private Hire Vehicle Driver Licence Conditions is detected a letter will be sent to that person setting out the circumstances of the alleged breach or non compliance. The letter shall offer an opportunity to either
admit or deny the allegation. Where the breach is admitted the appropriate number of penalty points shall be allocated to the licence and a letter shall be sent to the licence holder confirming the allocation of points.

2.2 If the licence holder fails to respond to the letter setting out the circumstances of the alleged breach or non-compliance within 28 days, the appropriate number of penalty points shall be allocated to that individual’s licence and a letter shall be sent confirming the allocation of points.

2.3 If the licence holder responds to the letter, but denies the allegation due to him/her not being the vehicle driver at the time of the incident, they shall be given an opportunity to nominate another driver. In the event that the licence holder fails to nominate another person the appropriate number of penalty points shall be allocated and again, a letter shall be sent to the licence holder confirming the allocation of points. That letter shall also explain the appeal options open to the licence holder.

2.4 If the licence holder denies the allegation due to a dispute of facts he/she shall have the opportunity to challenge the matter as detailed in the disputes options, as set out at paragraph 7 below.

3. Use of alternative enforcement action in conjunction with penalty points

3.1 Where penalty points are shown in the conditions this shall not preclude alternative formal action, including prosecution/suspension/revocation, being taken by the Council.

3.2 Where enforcement action such as prosecution or fixed penalty notices are used in respect of breaches this shall not preclude the issuing of penalty points and penalty points will normally be awarded in addition to the alternative form of enforcement.

3.3 Where a driver also holds a hackney carriage vehicle driver’s licence any action taken in respect of his private hire vehicle driver’s badge will also apply to his hackney carriage driver’s badge.

4. First accumulation of 12 penalty points

4.1 If a licence holder accumulates 12 penalty points in any 12 month period the licence shall be suspended for 14 calendar days. Following the suspension the points shall be removed from the licence. If no more than 11 penalty points have been issued to the licence holder within any 12 month period, no suspension shall occur. In cases where a combination of breaches of licence conditions result in the number of penalty points reaching more than 12, and a suspension subsequently occurs, all the penalty points from the breaches resulting in the suspension shall be considered spent and no penalty points will be carried forward. In the case of a breach of condition 13.6, resulting in 36 penalty points being awarded, no suspension shall occur, instead the licence shall be revoked. This revocation, and the rights of appeal against it, shall be notified in writing to the driver by officers.
5. Second accumulation of 12 penalty points

5.1 If, following a first suspension, a licence holder accumulates a further 12 points in any 12 month period, within 4 years of the end of the first suspension, a further suspension for a period of 28 calendar days shall occur. Following the suspension the points shall be removed from the licence. If no more than 11 penalty points have been issued to the licence holder within any 12 month period, no suspension shall occur. In cases where a combination of breaches of licence conditions result in the number of penalty points reaching more than 12, and a suspension subsequently occurs, all the penalty points from the breaches resulting in the suspension shall be considered spent and no penalty points will be carried forward. In the case of a breach of condition 13.6, resulting in 36 penalty points being awarded, no suspension shall occur, instead the licence shall be revoked. This revocation, and the rights of appeal against it, shall be notified in writing to the driver by officers.

6. Third accumulation of 12 penalty points

6.1 If, following a second suspension, a licence holder accumulates a further 12 points in any 12 month period, within 4 years of the end of the second suspension, his/her private hire vehicle driver’s licence shall be automatically revoked. This revocation, and the rights of appeal against it, shall be notified in writing to the driver by officers. In cases where a combination of breaches of licence conditions result in the number of penalty points reaching more than 12, and a revocation subsequently occurs, all the penalty points from the breaches resulting in the revocation shall be considered spent and no penalty points will be carried forward.

7. Disputes

7.1 Review by Senior Officer

In the event of the licence holder disputing that he/she is liable for points to be awarded against him/her, the licence holder may request, in writing within 28 days of being notified of the allegation, that the incident and awarding of penalty points be considered by a Senior Officer. Where this occurs the Senior Officer shall consider the evidence attached to the incident and will aim to respond to the licence holder, in writing, within 28 days of being notified of the dispute. The Senior Officer shall decide whether it is appropriate to allocate the penalty points.

7.2 Appeal to Licensing Sub Committee

In the event that the licence holder is unhappy with the findings of the Senior Officer, he/she may ask, in writing within 28 days of being notified of the Senior Officers findings, for the matter to be reviewed by the Council’s Licensing Sub-Committee. Where this occurs a hearing shall be held where details of the incident shall be provided to the Sub-Committee in writing and the licence holder will have the opportunity to present evidence and information in support of his/her case.
In the event that the Sub-Committee upholds the decision of the Senior Officer no greater punishment shall be imposed other than the awarding of the penalty points for that particular breach or requirement.

8. Action where licence holder has received a previous suspension or suspensions via the Warning Letter System in operation prior to the introduction of the Penalty Points System

8.1 Where a licence holder accumulates 12 penalty points in any period of 12 months, but his/her licence has already been suspended previously within the last 4 years, if the licence had been suspended on one occasion, a further suspension for a period of 28 calendar days shall occur. Where a licence has been suspended on two previous occasions, the last occasion being within the previous 4 years, the drivers licence shall be automatically revoked. This revocation, and the rights of appeal against it, shall be notified in writing to the driver by officers.

9. Appeals to the Magistrates Court in connection with Penalty Points

9.1 Where a driver receives a period of suspension, that person shall be notified in writing within 14 days of the reason(s) for the suspension, and shall have a right of appeal to the Magistrates’ Court within 21 days of being served with a notice of the Councils decision.

9.2 Where a driver’s licence is revoked, that person shall be notified in writing within 14 days of the reason(s) for the revocation, and shall have a right of appeal to the Magistrates’ Court within 21 days of being served with a notice of the Council’s decision.

10. Action where a hackney carriage licence is also held

In the event of the suspension or revocation of a private hire driver’s licence an identical suspension or revocation shall apply in respect of any hackney carriage driver’s licence held by the same individual. This suspension or revocation and the rights of appeal against it shall be notified in writing to the driver by officers.

11. Action following revocation of licence

A person who has had a private hire vehicle driver’s licence revoked under the penalty points system of enforcement shall not be eligible for the issue of a further private hire vehicle driver’s or hackney carriage driver’s licence until three years have elapsed since the revocation. The Head of Environment & Consumer Services is authorised to refuse any application for a licence in these circumstances.
