**Who will it be shared with and for what purpose?**

The servers for Fusion are based in Oracle's Amsterdam data centre. Data can be viewed by Oracle employees (necessary if the Council's environments have a support issue that needs to be resolved), as well as, when required, any consulting resources the Council chooses to use to assist with project work.

**How can the service user get access to it?**

Subject Access Request can be made by following the link: [www.reading.gov.uk/dataprotection](http://www.reading.gov.uk/dataprotection)

**State whether any data is to be transferred outside the EU?**

Oracle Support is a global organisation, with centres in the USA, Romania and India, the data uploaded and work to resolve issues may be carried out outside of the EU. Oracle vet all support staff. Any data viewed outside the EU will not be stored.

**Is processing based on consent?**

You have a 'right to be forgotten' so you can ask for your personal information to be deleted where:

- It is no longer needed for the reason why it was collected in the first place
- You have removed your consent for us to use your information and we do not have to keep your information for legal reasons

If we have shared your personal information with others, we will do what we can to make sure those using your personal information comply with your request for erasure.

We may not be able to delete your personal data if it is needed for legal reasons, for reasons of public health, public interest or for medical purposes.

**What other rights does the service user have that we have to make known to them?**

You have the right to:

- have your data corrected,
- have your data deleted, and
- put a complaint to the Information Commissioner's Office (ICO)

**State if there will be any automated decision making**

There will be no automated decision making as a result of the information held
